

## **Gram Sabha Meeting under Unnat Bharath Abhiyan**

**Event Date** : 26th January 2023

**Venue** : Muneerabad Village, Medchal.

No of students Participated:50

No of faculty Participated:10

## **Event Report**

On Republic Day, our national flag was hoisted, and the Gram Sabha Meeting was hosted in Muneerabad Village, organized under the Unnat Bharath Abhiyan. The aim was to observe and understand the priorities of the people residing in the village. The collaborative effort between CEER, NSS-CMRCET (Board of Social Welfare), and the CMRCET student team was instrumental in facilitating a meaningful dialogue to address the needs of the community. The meeting served as a platform to identify key concerns and develop a comprehensive plan of action to contribute positively to society.

The meeting was jointly organized by the following entities:

- Board of Social Welfare
- Centre for Energy and Environmental Research (CEER)
- NSS-CMRCET (National Service Scheme - CMR College of Engineering and Technology)
- The student council members from CMRCET played a crucial role in the success of the event.

Objective:

The primary objective of the Gram Sabha Meeting was two-fold

### 1. Observation and Understanding:

- To observe and understand the priorities of the residents in Muneerabad Village and identify the key challenges and concerns faced by the community.

### 2. Faculty members and students of CMRCET interacted with the villagers

## Meeting Highlights:

The Gram Sabha Meeting commenced with a warm welcome to the villagers and an introduction to the purpose of the gathering. The agenda included open discussions, interactive sessions, and group activities to encourage active participation.

During the meeting, the following topics were covered:

Residents were encouraged to express their concerns, needs, and priorities. Issues related to healthcare, education, infrastructure, and employment were among the key topics discussed. The student team presented ideas for potential solutions and initiatives. A collaborative discussion ensued, leading to the formulation of a comprehensive plan of action.

CMRCET students designed an app, and it received the Best Innovation Award from TSIC, the State Government of Telangana, for the project titled "Payment through Parent." In the Gram Sabha, the student team was felicitated.

The Gram Sabha Meeting, organized in Muneerabad Village under Unnat Bharath Abhiyan, proved to be a successful endeavor in fostering community engagement and understanding grassroots issues. The collaborative effort between CEER, NSS-CMRCET (Board of Social Welfare), and the student team not only facilitated constructive dialogue but also resulted in a concrete plan of action to address the identified concerns. The recognition and award received by the CMRCET student team further highlight the commitment and excellence demonstrated by the participants, serving as a model for future community-centric initiatives under Unnat Bharath Abhiyan. This emphasizes the importance of involving local communities in the development process.
