In Association with RVSCAS - UBA

One-day Seminar on “Modern Innovation in Bio Medical Engineering for Rural Healthcare”

Name of the Event:	Modern Innovation in Biomedical Engineering for Rural Healthcare
Date:	02.02.2024
Time:	10.00am
Guest Speaker:	Mr. B. Faizal Ahamed Operations manager Sterling Diagnostics & Therapy Equipment Pvt Ltd. Chennai.
Platform	VLSI lab Electronics Department
Event Main theme:	Understanding the concept of Revolutionizing Rural Healthcare: Advancing Biomedical Engineering for Lasting Impact.
Objectives:	To provide intensive knowledge on Modern Innovation in Biomedical Engineering for Rural Healthcare.
Number of Direct Beneficiaries:	61
Total Number of Participants:	61
Diversity of the Activity:	Knowledge enhancement program
Outcome:	The session trained the B.Sc. IoT, B.Sc. ECS, students Explored challenges in rural healthcare and presented transformative biomedical engineering solutions, fostering collaboration to improve access and outcomes in underserved areas.
