Event Report

The UBA Cell in collaboration with the NSS Unit organized a highly impactful plantation drive in the college premises under the “Ek Pedh Maa Ke Naam” campaign. The initiative, aimed at promoting environmental awareness and sustainability, received enthusiastic participation from both students and staff.

The event was spearheaded by Principal Dr. Bela Thakur, who underscored the significance of environmental stewardship and encouraged the college community to actively engage in such initiatives and her support was pivotal in highlighting the importance of individual and collective efforts in protecting our environment.

The drive saw effective coordination by several key figures:

- **NSS Programme Officer: Ms Simran Thakur**
- **UBA Coordinator: Mr Balwant Singh**

Their combined efforts ensured the smooth execution of the drive, which involved planting numerous saplings around the college campus. Each participant contributed to the success of the event, reinforcing the college’s commitment to environmental sustainability.

The “Ek Pedh Maa Ke Naam” campaign is an inspiring movement that encourages communities to plant trees in honor of their mothers, symbolizing a tribute to nature and future generations. The plantation drive at Dogra Degree College reflects the institution’s dedication to contributing positively to environmental conservation.

The college extends its gratitude to all participants and organizers for their dedication and enthusiasm. The Dogra Degree College community is encouraged to continue supporting such initiatives and to actively participate in future environmental activities.
