08.09.2023	UBA Sakthi College of Arts and Science for Women, Oddanchatram	Literacy Day	45	02

REPORT

“Let us remember one book, one pen, one child and one teacher can change the world,”

Education opens the windows of the mind. Every year, International Literacy Day is celebrated on 8 September to advance the literacy agenda towards a literate and sustainable society. To spread the message of the importance of literacy among learners, this year's International Literacy Day (ILD) 2023 was celebrated under the theme “Transforming Literacy Learning Spaces”. The day heralded an opportunity to re-examine the fundamental importance of literacy learning spaces to build resilience and ensure quality, equitable and inclusive education for all. Unnat Bharat Abhiyan led an awareness programme on “World Literature Day” at Sakthi College of Arts and Science for Women, Oddanchatram, by Dr. R. Thenmozhi, Principal, and Dr. S. Samundewari (Assistant Professor and Head) 08 September 2023.

The event was organized under the theme “Let's Change Literacy Learning Places” in the adopted villages of Manjanayakkan Patti, Ellaipatti and Kurumpapatty Dindigul. The aim of the campaign was to sensitize the students and the public about the importance of literacy and the importance of human rights and literacy and to further advance the literacy agenda towards a literate and sustainable society. 1 M.Com CA students read aloud the dream of a 100% literate nation as the foundation for literacy development. Students of classes I and II participated in the “Read Aloud, Crown” activity to show the joy of learning and fulfill the purpose of literacy. It not only brought smiles on the faces of the students but also helped in inculcating moral values like generosity, caring, sharing. They also took a serious effort to continuously try and motivate them through rhymes and drama presentations.

The work of the UBA team was appreciated by the school and encouraged to conduct such camps in future for the comprehensive development of every student.

Dr. R. Thenmozhi
