

Anti-Drug Rally at K.G.R.L. College of Pharmacy, Bhimavaram

K.G.R.L. College of Pharmacy, Bhimavaram, proudly organized an impactful **Anti-Drug Rally** aimed at raising awareness about the devastating effects of drug abuse. The rally witnessed enthusiastic participation from students, faculty members all united with a common goal of promoting a drug-free society.

The rally began on the college premises and proceeded through key areas of Bhimavaram, spreading the message of anti-drug awareness through thought-provoking slogans, banners, and placards.

The rally not only fostered a sense of social responsibility among students but also reinforced the college's commitment to building a safer and healthier future. K.G.R.L. College of Pharmacy remains dedicated to promoting positive societal values and empowering youth to make informed and responsible choices.

Let's continue to work together towards a drug-free society!

ANTI DRUG RALLY AT KGRP ON 29.03.2025
