### **An Activity on Enhancing Creativity Skills at Manjholi School**

Volunteers of Shoolini University went to Prayas School which is situated in Manjholi village in the vicinity of university campus. The volunteers were accompanied by DSW Mrs. Poonam Nanda and her team. The volunteers took some chocolates, cookies, biscuits, and juices as well with them to distribute among children. The celebration started with volunteers organizing some engaging activities and games for school children. The volunteers taught school children how to make a paper fish. All the children made beautiful colourful fishes with the help of volunteers. Also, students made some beautiful hand paintings. Students were very happy with the activity. The students were served refreshments at the end of the activity which made them extra joyful.
