### ActivityDetails:

Faculties of Department of Swasthavritta, Dept of Kayachikitsa and Dept. of Prasootitantra and Striroga along with house surgeons of 2019 (12) batch attended the medical camp at Aloor Yuvajana Vayanashala. The camp started at 9.30 am and was inaugurated by Vayanashala president. Basic information about Health, Disease and treatment specialities in Ayurveda, was given by Dr. Anusree and Dr. Dhanya. A brief session on Importance of Yoga along with a simple breathing awareness session was given by Dr. Swathy. A Screening based on each system was taken by the house surgeons and was recorded. Vitals including blood pressure, pulse, weight were also noted.

After screening, detailed treatment was prescribed by the doctors. Appropriate diet and exercise were advised.

### Objectives of the activity :

1. To reach out to the public to identify the prevalent health problems and provide necessary corrections through medicines, diet and lifestyle.

### Details about the activity:
