### Report On

### 3-Day Health Camp for Community Well-being

<b>Date(s):</b>	19 September, 2024
<b>Time:</b>	09 AM Onwards
<b>Venue:</b>	Villages of Pawana and Thakursai
<b>Resource Person:</b>	Dr. D.Y. Patil Hospital, Pune
<b>Participants</b>	PGDM Students and Village residents
<b>Faculty Coordinator</b>	Dr. Mohd. O. Ahmad
<b>Organizer</b>	SDG Club, Dr. D. Y. Patil B-School, Pune. In collaboration with: JIVIKA Foundation & Dr. D.Y. Patil Hospital, Pune
<b>Objectives:</b>  To promote holistic health and well-being among community members by providing free access to basic medical services, health screenings, wellness education, and preventive healthcare practices. The camp aims to raise awareness on key health issues, encourage healthy lifestyle choices, and ensure early detection of common illnesses through the collaborative efforts of healthcare professionals and volunteers.	
<b>Detail Report:</b>  <b>Overview</b>  We are delighted to share that the Sustainable Development Goals (SDG) Club of Dr. D.Y. Patil B-School, in collaboration with the JIVIKA Foundation and Dr. D.Y. Patil Hospital, successfully organised a 3-day Health Camp aimed at enhancing healthcare accessibility in the rural villages of <b>Pawana</b> and <b>Thakursai</b> . This initiative is a part of our continued commitment to <b>SDG 3 – Good Health and Well-being</b> , and marks a significant step toward building inclusive and healthy communities  <b>3 Days Highlights</b> <ul style="list-style-type: none"><li>• <b>Free Health Check-ups</b> A dedicated team of <b>paediatricians</b>, <b>general physicians</b>, and <b>dermatologists</b> from Dr. D.Y.</li></ul>	

## Dr. D. Y. Patil B-School, Pune

Patil Hospital conducted comprehensive health screenings. Over **1,000 students and children** benefitted from these services, with special attention given to identifying common illnesses and recommending follow-up care.

- **Free Medication Distribution**

Essential medications were distributed free of cost by Dr. D.Y. Patil Hospital. This ensured that the children diagnosed with minor ailments during the check-ups received immediate and effective treatment without financial burden.

- **Cervical Cancer Vaccination Drive**

The **JIVIKA Foundation** led a crucial cervical cancer vaccination campaign targeting women and adolescent girls. This preventive initiative contributed to long-term community health and empowerment, especially in rural areas where awareness and access are limited.

- Deep-dive discussion on **ethics, integrity, and social responsibility** in media and real life.
- Students engaged with **Mr. Malik** through a **Q&A session**, exploring acting techniques and his take on portraying emotionally grounded characters.
- Emphasis on using **art as a tool for social change** and empowering the youth to voice critical issues through creative mediums.

### Impact

- **1000+ beneficiaries** served on Day 1 alone
- Increased awareness on preventive healthcare and hygiene
- Enhanced access to essential medical services for underprivileged communities
- Promotion of women's health and disease prevention through vaccination

### Conclusion

The SDG Club remains committed to fostering health equity and social impact through such meaningful collaborations. This health camp marks a step forward in bridging the rural healthcare gap and building **stronger, healthier, and more empowered communities.**

Together, we continue to drive change—**one village at a time.**

**Signature of Coordinator**
