UNNAT BHARAT ABHIYAN மேம்பட்ட இந்தியா பிரசாரம்

Overview

A special event under the Unnat Bharat Abhiyan (UBA) was successfully conducted on May 8, 2025, at SSR Hall. The ceremony celebrated the completion of the Rural Internship program and saw enthusiastic participation from more than 150 students. The highlight of the internship was the successful completion of **1336 household surveys**, which were **digitized and uploaded** to the UBA portal.

Welcome Address:

The event commenced with a warm welcome address by **Mr.R.Chithrakkannan**, who greeted the dignitaries, faculty members, and student participants.

Mr. Nareshraj, Chief Information Officer (CIO), delivered an inspiring keynote, emphasizing the importance of such rural engagement programs in equipping students with real-world skills and insights.

Survey Presentation – Poonthandalam Village

A key segment of the event was the presentation of field survey findings from **Poonthandalam village captain Mrs R Thanuja**, conducted by dedicated male and female student teams. Their presentation reflected strong research and engagement with the local community, covering aspects such as education, health, sanitation, employment, and infrastructure.

The **Village Team** delivered a **consolidated report** summarizing:

- **Key Insights:** Limited access to basic amenities, underutilization of government schemes, and gaps in digital literacy.
- **Challenges Identified:** Issues like inadequate sanitation, lack of healthcare access, and youth unemployment.
- **Future Action Plans:** Recommendations included promoting skill development, improving health and sanitation awareness, and increasing digital access.

This presentation highlighted the students' deep involvement and provided actionable insights to support future rural development under the UBA initiative.

Technology Milestone: Launch of UBA Website and Mobile Application

A major highlight of the event was the **official launch of the UBA Website and Mobile Application**, aimed at enhancing the efficiency and accessibility of UBA activities.

The **website** serves as a central platform for managing survey data, reports, and updates, while the **mobile app** allows students to upload field data directly and stay informed on the go.

This digital step marks a significant move toward streamlining rural development efforts through technology, ensuring better coordination, real-time data access, and active student involvement.
