

KHALSA COLLEGE, GARHDIWALA

REPORT ON ECO WALK UNDER NATIONAL ONE HEALTH MISSION OF UBA

DATED: 25TH AUGUST, 2025

Khalsa College Garhdiwala successfully conducted an awareness rally (ECO-WALK) focusing on three vital themes: **water conservation**, **pollution control** and **tree plantation** covering some parts of Garhdiwala. The event was held under the banner of Unnat Bharat Abhiyan (UBA) under **National One Health Mission**, which emphasizes the interconnectedness of human, animal, and environmental health.

The rally witnessed enthusiastic participation from students, faculty members. Participants carried banners and raised slogans to promote sustainable practices and environmental responsibility. The rally aimed to educate the public on the importance of conserving water, reducing pollution, and increasing green cover through tree plantation.

OBJECTIVE OF THE EVENT:

1. To raise awareness among students and the local community about sustainable water management, pollution reduction,
2. To aware the public about importance of tree plantation in promoting environmental and public health.

ACTIVITIES CONDUCTED:

- Rally with banners and slogans
- Awareness talks on water conservation and pollution control

OUTCOME:

The rally successfully sensitized the public on critical environmental issues and encouraged community involvement in sustainable practices. It reinforced the college's commitment to rural development and ecological responsibility.
