On March 1, 2025, an Awareness and Entrepreneurship Program was held at the Primary School in Sultanpura, Kayavarohan, Dabhoi, Vadodara, attended by 54 enthusiastic participants. The event started with the university song, fostering a sense of unity. Sheetal Ma'am introduced Dr. Mukta Sharma, who led an interactive session on personal hygiene and the importance of a healthy lifestyle using simple natural practices. Neelam Mam and Ashish Guruji further encouraged the attendees, focusing on entrepreneurship and environmental responsibility, particularly the benefits of a plastic-free community. The program wrapped up with refreshments, which facilitated informal discussions and strengthened community bonds among the villagers.
