Name of Activity	Report on Free Health Check-up Camp
Date of Activity	20th September 2025
Venue:	Mehta College & Institute of Technology
Objectives:	<p>Under the banner of Mehta Education Society, a Free Health Check-up Camp was organized/decided to be organized at the Mehta College Campus under the joint collaboration of Mehta College & Institute of Technology and Deerghayu Hospital, whose main objective is to increase health awareness among people and to provide necessary information for the prevention of diseases, so that the benefit of health services can reach the deprived community. Along with this, to provide basic health services through which free medicines and primary check-ups can be done. The main purpose of organizing this free camp is to provide emerging health-related education and proper consultation so that proper improvement in their health can be brought. To provide necessary health services to all sections and to empower them to live a healthy life.</p>
Activity Incharge:	Mrs. Archana Devi
Brief Activity Report	<p>Under the banner of Mehta Educational Society, a Free Health Check-up Camp was organized on 20 September 2025 at the Mehta College Campus under the joint collaboration of Mehta College & Institute of Technology and Deerghayu Hospital. For this purpose, the medical team of Deerghayu Hospital was invited, which included specialists from various departments.</p> <p>The details are as follows:</p> <p>Dr. Ashok Sharma (Managing Director) Dr. Ashok Kumar Dadarwal (MD in Medicine - Consulting Doctor) Dr. Shashi Chaudhary (DCH, Pediatric Specialist) Dr. Priyanka Dr. Himanshu Jangid (Dental Specialist) Mr. Nekiram Samota (Senior Optometrist) Dr. Subhash Chandra Hinsmar (MD General Medicine, SMS Hospital)</p> <p>The program was scheduled to be held from 9:00 a.m. to 3:00 p.m. First of all, Mr. Rajesh Mehta and Mr. Ramesh Chand Sharma, Director of Mehta College & Institute of Technology and Principal Dr. Pankaj Kumar Soni, welcomed the invited doctors and guests. After that, according to Indian culture, the invited guests, Mehta College & Institute of Technology officials,</p>

	<p>and the present lecturers together started the various programs with the prayer of Maa Saraswati and the lighting of the lamp.</p> <p>After this, Mehta College & Institute of Technology Director Mr. Rajesh Mehta and Mehta College & Institute of Technology Principal Dr. Pankaj Kumar Soni welcomed the first director of Deerghayu Hospital Dr. Ashok Kumar Sharma by presenting a shawl, garland, and memento. After this, all the invited specialists were honored by presenting mementos and garlands by the present lecturers. In the same series of welcomes, the medical team giving their valuable contribution to the camp was also welcomed and honored.</p> <p>After this, starting the work of the Free Health Check-up Camp, the concerned specialists conducted health check-ups. Specialists from various departments were present in the camp, including pediatrics, ophthalmology, health consultation, cardiology, etc. In the team appointed with the health officer of this camp, general physicians, dentists, eye specialists, and other supporting staff were included.</p> <p>In this free health check-up camp, many health tests were conducted during the day such as sugar, BP, hemoglobin, dental check-up, eye check-up, blood group, etc. In this camp, apart from free check-ups, free consultations and awareness programs were also organized.</p> <p>In the free health check-up civil program organized by the college, the willing students, lecturers, and other supporting staff of the college got their health check-ups done. The nearby rural people also got their health check-ups done in this camp. Valuable information was obtained about the overall health status of the students in the camp.</p> <p>In this way, around 250 people were present in the camp, which indicates the success of making this camp a grand achievement.</p>
Outcomes of the Activity	<p>The Free Health Check-up Camp, organized under the joint collaboration of Mehta College & Institute of Technology and Deerghayu Hospital, successfully achieved the objectives for which it was held. The camp produced positive outcomes, as students gained valuable information about timely health care, and based on the data collected, such health camps will continue to be organized in the future.</p> <p>As a result of this camp, students were encouraged to undergo regular health check-ups and to adopt a healthy lifestyle.</p>
