Youth Exnora, in collaboration with UBA AIMAN College and in association with the State Institute of Rural Development, & PR; Rural Development and Panchayat Raj Department, Government of Tamil Nadu, Maraimalainagar, successfully organized the "Say No to Plastic" program on 16th December 2024 in the Periyamayagichathram community.

The program aimed to raise awareness about the harmful environmental effects of plastic usage and promote eco-friendly alternatives. Volunteers actively engaged with the community, educating residents about the importance of reducing, reusing, and recycling plastic waste. The initiative also emphasized the role of individuals in combating plastic pollution and maintaining a sustainable environment.

In addition to discussions and demonstrations, students played a vital role in reinforcing the program's message by providing degradable plastic bags as alternatives to conventional plastic bags. This proactive step encouraged community members to embrace greener habits and reduce their reliance on single-use plastics.

The event received an enthusiastic response from the community, with participants showing keen interest in adopting sustainable practices. The program successfully inspired residents to contribute to environmental conservation through practical actions and mindful choices.

Youth Exnora extends its heartfelt gratitude to all the volunteers, students, collaborators, and community members whose efforts made this initiative a significant success. This event highlights the shared commitment to protecting our planet and nurturing a cleaner, greener future.
