## 1. Introduction:

Unnat Bharat Abhiyan tries to bring a transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India. This mission is conceptualised as a movement to enable processes that connect institutes of higher education with local communities to address the development challenges of rural India through participatory processes and appropriate technologies for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive university system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors.

**National Institute of Technology, Durgapur** has been involved under Unnat Bharat Abhiyan since **2014**. The inception of this nationwide campaign was started by the Honourable Prime Minister, Shri. Narendra Modi Ji. From the year **2019**, National Institute of Technology Durgapur has been designated as Regional Coordinating Institute under the West Bengal Region.

A one-day Orientation Programme under Unnat Bharat Abhiyan (UBA) was organized by the Regional Coordinating Institute (RCI), National Institute of Technology Durgapur, to familiarize newly inducted Participating Institution (PI) Coordinators with the objectives, processes, and opportunities under the mission. The programme brought together PI Coordinators from various colleges to enhance their understanding of UBA workflows, fund handling, and institutional responsibilities. PI Coordinators from Dakshin Dinajpur, Maldah, Murshidabad, Birbhum, Paschim Bardhaman and Nadia attended the event.

The poster features a light orange background. At the top left is the Government of India emblem with the text 'Ministry of Education Government of India'. At the top center is the Unnat Bharat Abhiyaan logo with the text 'उन्नत भारत अभियान UNNAT BHARAT ABHIYAAN'. At the top right is the logo of the National Institute of Technology Durgapur. The main title 'One Day Orientation Seminar' is in bold black font, followed by 'on' in a smaller font. Below this, 'उन्नत भारत अभियान' is written in red Devanagari script, followed by 'UNNAT BHARAT ABHIYAAN' in large, bold, red capital letters. To the right of the text is a map of West Bengal divided into districts, color-coded in various shades. Below the map, the text 'For Higher Educational Colleges/Universities of West Bengal' is in blue, followed by '25th November 2025' in large, bold, red capital letters. At the bottom, 'At National Institute of Technology Durgapur' and 'RCI-West Bengal Region' are written in blue.

## 2. Registration of Participants

The visiting PI Coordinators were greeted by the RCI team from NIT Durgapur. The Registration kits were distributed among the participants. As all the PI Colleges were newly approved in the 2025-26 session, a meet-and-greet session was conducted where PI Coordinators from different districts met each other for the first time in person and also with the RCI team for rapport building and mutual relationship-building to take the program forward in the coming time.

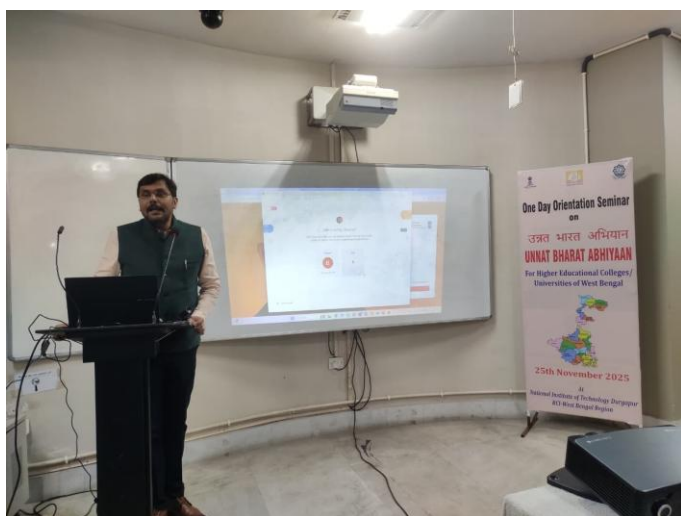

## 3. Meet and Greet session with PIs by Dr Shri Krishan Rai, RCI Coordinator

After successful registration and distribution of welcome kits amongst the participants, Dr Shri Krishan Rai, RCI Coordinator welcomed the participants. After a formal introduction of all the participating members, Dr Rai made the participants familiar with the way of working under UBA through a presentation. One-on-one interactions with participants were held to discuss their current registration status and the problems they faced. Dr Rai, through his presentation, highlighted the benefits of students participating in UBA activities and also for the faculty. He also stressed upon identification of region-specific problems faced and encouraged PI Coordinators to develop solutions and submit for funding under different SEG heads.

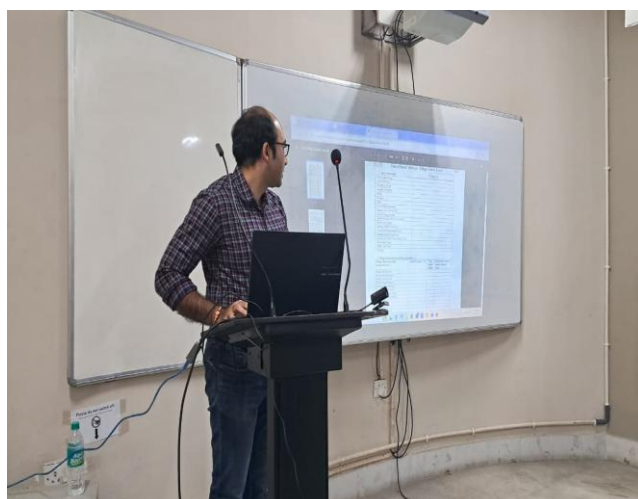

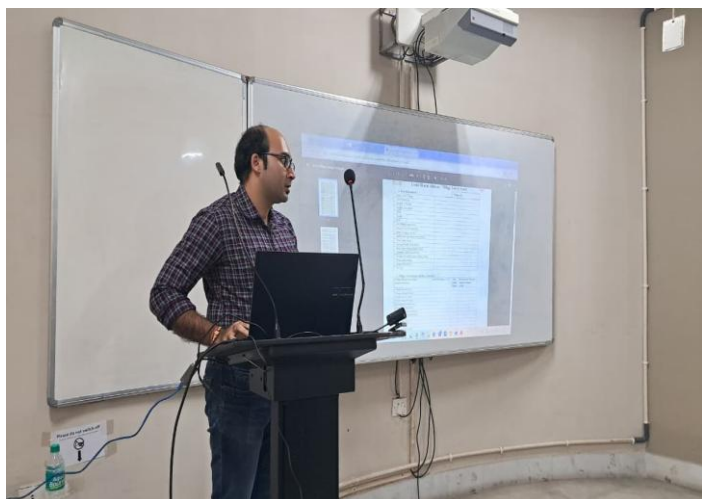

#### 4. Presentation on UBA Journey over the years by Dr Shri Krishan Rai, RCI Coordinator

RCI Coordinator, Dr Shri Krishan Rai presented on the journey of Unnat Bharat Abhiyan. He highlighted the key achievements under UBA, the MoU signed with different Government organizations like CSIR, NECTAR, VIBHA, and also with NGOs like YOJAK. He encouraged PI coordinators to collaborate with their agencies in further rural upliftment projects in their respective regions. He also showed success stories of participating institutions from all over India and highlighted the fact how UBA is bringing out transformational changes in rural society. Participants were highly motivated by his insightful presentation and noted down key takeaways for possible implementation from their end.

## 5. Demonstration of UBA- PI portal, Query resolving of PIs by RCI Staff

RCI Assistant Rishya Prava Chatterjee demonstrated on the UBA- PI Portal, its functionalities, steps to be followed starting from survey and future possibilities that can be explored. Query resolving session among the PIs was also organized, where RCI Assistant Rishya Prava Chatterjee addressed the queries regarding the UBA action plan, portal-related queries, and steps of preparing the Village Development Plan. He gave a thorough review of the Village Survey and Household survey forms and explained the scopes that can be explored by getting data in surveys for proposal submission. The steps to prepare UC and SOE after successful utilization of funds were also demonstrated. PI colleges under RCI- NIT Durgapur shared their experiences, hardships faced, and their overcoming technique. The program ended with a Valedictory session, RCI Coordinator handed over the certificate of participation to participants.

## 6. Valedictory Session

## 7. Conclusion

PI colleges were highly motivated, most of their queries were on-spot resolved and they promised will immerse themselves in inclusive rural societal transformation. They also assured active participation in all UBA events, and NIT Durgapur vowed to provide necessary support and cooperation to them in continuing with their UBA activities. The one-day orientation ended successfully with cooperation from the NCI team, and more such orientations will be organized in the coming quarters to encourage PI colleges and together contribute to inclusive rural development.
