

# AIMT UBA CELL

## VOTING RIGHTS AWARENESS PROGRAM

On 12 January 2026, the Unnat Bharat Abhiyan (UBA) Cell of the Army Institute of Management & Technology (AIMT) organized a Voting Rights Awareness Programme at Saithali Village, Dadri, Greater Noida, with the objective of sensitizing the local community about the importance of voting and active participation in the democratic process. The programme was conducted through an awareness skit performed by AIMT students, which effectively highlighted citizens' voting rights, the electoral process, voter responsibilities, and the significance of making informed electoral choices.

Through relatable real-life scenarios, the skit emphasized that voting is not only a constitutional right but also a fundamental civic duty essential for nation-building. The villagers participated enthusiastically and demonstrated keen interest in understanding the value of their vote and its role in strengthening democracy. The initiative successfully fostered democratic awareness, encouraged responsible voting behavior, and reinforced civic consciousness, thereby contributing meaningfully to community empowerment under the objectives of the UBA initiative.
