

General Guidelines for Poster Competition

Background:

Viksit Bharat means a developed India where every citizen has access to quality education, healthcare, employment, and equal opportunities. The vision of **Viksit Bharat @2047** aims to transform India into a strong, self-reliant, and globally competitive nation by the 100th year of independence.

Education is the foundation of a developed nation. Educational institutions play a vital role in shaping disciplined, skilled, and responsible citizens. Through education, students gain knowledge, moral values, creativity, and critical thinking, which are essential for national growth. A developed India focuses on innovation, digital technology, sustainable development, and social equality. By promoting skill-based learning, research, and entrepreneurship, educational institutions contribute directly to economic growth and social progress. *Students are the future builders of Viksit Bharat.* With proper education, dedication, and a sense of responsibility, today’s learners can lead India towards a brighter, stronger, and more developed future.

Recognizing the importance of grassroots involvement, this initiative emphasizes active engagement of students, educational institutions, and rural communities. Accordingly, the Regional Coordinating Institute, Sant Gadge Baba Amravati University, Amravati under Unnat Bharat Abhiyan has accordingly planned a series of short-term and long-term activities to actively engage in its network of education Institutes, working across UBA villages in alignment with the objectives.

Objectives:

- To engage students and faculty in creating and disseminating knowledge through creative competitions and community-based activities.
- To strengthen skill development, vocational education, and local entrepreneurship aligned with rural livelihoods and emerging opportunities.
- To enhance digital literacy and technology access in rural communities for education, governance, and employment.
- To encourage student and faculty participation, foster innovation and community–institution partnerships, and promote solutions-driven, community-based learning and research in rural areas that contribute to the realization of Viksit Bharat through Unnat Bharat Abhiyan.

Open for all Educational Institutions

Theme of Poster Competition:

Under the **Unnat Bharat Abhiyan (UBA)**, Educational institutions are invited to submit a **Poster Presentation** highlighting their **field-based initiatives and research contributions** that align with the national vision of **Viksit Bharat**.

This competition provides a platform for institutions to showcase **innovative, impactful, and sustainable practices** undertaken in **rural communities** or through **academic research**, demonstrating meaningful engagement with societal development goals.

Posters may focus on one or more of the following **Viksit Bharat thematic areas**:

- Rural development and livelihood generation
- Sustainable agriculture and natural resource management
- Health, nutrition, sanitation, and well-being in rural areas
- Quality education, skill development, and digital empowerment
- Women empowerment, social inclusion, and community participation
- Renewable energy, environmental sustainability, and climate resilience
- Innovation, technology transfer, and promotion of indigenous knowledge
