

REPORT on Unnat Bharat Abhiyan (UBA)

Connecting Villages for a Self-Reliant India

1. Introduction

The college successfully organized an important outreach initiative under the **Unnat Bharat Abhiyan (UBA)** with the objective of strengthening the connection between academic institutions and rural India. The event marked the formal initiation of the UBA program in the college campus with the presence of respected village representatives.

Sarpanches from five adopted villages were invited to the college to collaborate and discuss developmental needs, challenges, and opportunities for implementing sustainable and technology-driven solutions. The initiative reflects the institution's commitment to contributing towards rural development and nation-building.

2. Objectives of the Event

The key objectives of the program were:

- To initiate the Unnat Bharat Abhiyan activities at the college level.
- To establish direct communication between the college and rural communities.
- To identify real-world challenges faced by villages.
- To encourage students to participate in rural development projects.
- To promote sustainable development through academic involvement.

3. Event Details

Event Name: Unnat Bharat Abhiyan Initiative Program

Date: 8/04/2026

Venue: College Seminar Hall

Organized By: Aravali College of Engineering and Management

Coordinator / UBA Head: Mr. Mahender Singh

4. Participation Details

The event witnessed active participation from faculty members, students, and village representatives.

Invited Villages:

- Bhainsrawali
- Raipur Kalan
- Mahmoodpur

- Kabulpur Patti Mahtab
- Shahbad

Each village was represented by its respective Sarpanch, who shared insights about their village conditions, challenges, and expectations from the institution.

5. Event Structure & Flow

- The program began with a welcome address for the Sarpanches and guests.
- Mr. Mahender Singh introduced the objectives and vision of the Unnat Bharat Abhiyan.
- Sarpanches were invited one by one to discuss the key issues faced in their villages.
- Faculty members and students interacted with the village representatives.
- Areas of collaboration such as education, sanitation, digital awareness, agriculture, and skill development were identified.

6. Key Discussion Areas

During the interaction, several important rural development areas were highlighted:

- Improvement in basic infrastructure
- Digital literacy and awareness
- Agricultural advancements and smart farming
- Health and sanitation facilities
- Employment and skill development opportunities

7. Role of the Institution

The college committed to actively contributing towards village development through:

- Student-led surveys and field visits
- Awareness campaigns and workshops
- Implementation of innovative and practical solutions
- Collaboration between departments for interdisciplinary projects

8. Faculty Involvement

The program was successfully coordinated under the guidance of:

- **Mr. Mahender Singh** – Head, Unnat Bharat Abhiyan (Management Department)

Faculty members played an important role in organizing the event and interacting with the village representatives.

9. Outcomes of the Event

The event achieved several positive outcomes:

- Established a strong connection between the college and adopted villages.
- Identified real challenges faced by rural communities.
- Encouraged students to actively participate in social development.
- Laid the foundation for future UBA activities and projects.
- Strengthened the vision of “Sabka Saath, Sabka Vikas” through academic involvement.

10. Conclusion

The Unnat Bharat Abhiyan initiation program was a meaningful step towards bridging the gap between rural communities and higher education institutions. The interaction with Sarpanches provided valuable insights into grassroots challenges and opened avenues for collaborative problem-solving.

The program concluded successfully with a shared commitment to work together for sustainable rural development. The college looks forward to implementing impactful initiatives under UBA and contributing towards building a self-reliant and empowered India.
