

Report on Free Medical Health Camp under Unnat Bharat Abhiyan (UBA)

Gulzar Group of Institutes Organizes Free Medical Health Camp at Village Bahu Majra

Ludhiana, May 21, 2026:

Under the aegis of **Unnat Bharat Abhiyan**, **Gulzar Group of Institutes** successfully organized a *Free Medical Health Camp* at Village Bahu Majra on May 21, 2026, with the objective of promoting healthcare awareness and providing accessible medical facilities to rural communities.

The health camp was conducted in collaboration with **Fortis Hospital**. A dedicated team of experienced doctors and healthcare professionals actively participated in the camp and provided expert medical consultation services to the villagers.

During the camp, specialized healthcare services including General Medicine, Orthopedics, and Eye Check-up were offered free of cost. Diagnostic facilities such as ECG, Blood Pressure (BP) Check-up, and Blood Sugar Testing were also provided to the beneficiaries.

The event received an overwhelming response from the residents of Bahu Majra and nearby villages. A total of 80 OPDs were registered and treated during the camp. The medical team also guided the patients regarding preventive healthcare measures, healthy lifestyle practices, and the importance of regular health check-ups for maintaining overall well-being.

The management of Gulzar Group of Institutes appreciated the valuable support and contribution of the doctors and medical staff of Fortis Hospital for their dedicated service towards society. The institute reaffirmed its commitment towards community welfare and social responsibility by organizing such impactful outreach activities under Unnat Bharat Abhiyan.

The camp proved to be a significant step towards improving healthcare accessibility in rural areas and strengthening the bond between educational institutions and the community.
