## Drug Awareness Programme

A Drug Awareness Programme was organized by UBA in collaboration with the Manikandam Police Station on 24/06/2026, Wednesday, at Seminar hall, with the blessing of Secretary ,Er G.Rajasekaran ,Guidance of Director Dr.G.Balakrishnan ,and with the support of Registrar Dr.M.Anusuya the programme was organized by Indra Ganesan college of Arts & Science along with Indra Ganesan College of Engineering and Shri Indra Ganesan Institute of Medical Sciences and Siddha Medical College with the objective of educating students about the harmful effects of drug abuse and promoting a healthy, drug-free lifestyle among youth. The programme witnessed enthusiastic participation from students and faculty members.

As part of the awareness initiative, several competitions were conducted to encourage students to express their understanding and creativity regarding drug prevention. The events included Drawing Competition, Essay Writing Competition, Poster Making Competition, and Slogan Writing Competition.

Nearly 700 Students actively participated in all the competitions and presented thought-provoking ideas through their artwork and writings. The drawing and poster-making competitions effectively conveyed messages about the dangers of drug addiction and the importance of leading a healthy life. The essay competition enabled students to critically discuss the causes, consequences, and preventive measures related to substance abuse. The slogan competition generated impactful messages advocating a drug-free society.

Officials from the Manikandam Police Station addressed the students and highlighted the increasing menace of drug abuse among young people. They emphasized the importance of awareness, self-discipline, and community support in preventing drug addiction. The police officials also encouraged students to become ambassadors of anti-drug campaigns and spread awareness among their peers and communities, police official selected the best out comes and honored the prize winners with gifts and encouraged them.

The programme successfully created awareness about the adverse effects of drugs and inspired students to make responsible choices. The event concluded

with the distribution of prizes and encouraged them making the programme both educational and motivating for all involved.
