Event Calendar

Plant Distribution Drive under Unnat Bharat Abhiyan (UBA)

Organized by: PI Coordinator, Unnat Bharat Abhiyan (UBA) Cell

**Theme: Sustainable Rural Development through Agroforestry and Horticulture Promotion**

**Objective:** The UBA Cell proposes to distribute saplings of **Bamboo, Eucalyptus, Lemon, Mango, Mausami, Litchi and Orange** to farmers in the adopted villages. Since the area lacks assured irrigation facilities, the plantation drive is planned during the **monsoon season**, when natural rainfall supports plant establishment. The initiative aims to encourage agroforestry, horticulture, income diversification, environmental conservation, and sustainable rural development.

Event Calendar (Monsoon Plantation Programme):

Date/ Period	Activity	Responsibility
12 June -30 <sup>th</sup> June	Identification of beneficiary farmers and verification of land availability & Awareness meetings in selected villages, Finalization of Sampling Requirements	UBA Cell, PI Coordinator, Gram Panchayat Representatives
1 <sup>st</sup> July-15 July	Transportation of saplings to villages and distribution planning ( Subject to climatic conditions)	UBA Cell & Village Volunteers
16-20 July	<b>Inaugural Plant Distribution Programme</b> and distribution of Bamboo, Eucalyptus, Lemon, Mango, Mausami, and Orange, etc. saplings	PI Coordinator, UBA Cell Members, Village Panchayat Representatives
21 July-15 August	Plantation of distributed saplings by farmers during active monsoon period	Farmers with UBA Support
August (Last Week)	Field visit and monitoring of plantation status	UBA Cell Team
September (Second Week)	Follow-up awareness programme on plant care, mulching, and survival management	UBA Cell Team

October (First Week)	Assessment of plant survival rate and documentation of outcomes	UBA Cell
December	Progress review meeting and preparation of impact report	PI Coordinator & UBA Cell

**Proposed Schedule for Plant Distribution Day:**

**Venue: Community Centre/Gram Panchayat Bhawan/ Centre Point of Village of Selected Village**

**Time: 10:00 AM – 2:00 PM (Date will be decided as per monsoon climatic conditions)**

Time	Activity
10:00–10:15 AM	Registration of farmers
10:15–10:30 AM	Welcome Address by Village Representative
10:30–10:50 AM	Address by PI Coordinator, UBA
10:50–11:20 AM	Expert Talk on Agroforestry and Fruit Cultivation
11:20–11:30 AM	Distribution Guidelines and Plantation Instructions
11:30 AM–1:30 PM	Distribution of Saplings to Beneficiary Farmers
1:30–2:00 PM	Vote of Thanks and Group Photograph

**Expected Outcomes**

1. Promotion of **agroforestry and horticulture-based livelihoods**.
2. Increased household income through fruit production and bamboo cultivation.
3. Improved green cover and environmental sustainability.
4. Enhanced climate resilience in rain-fed areas.
5. Strengthened community participation in sustainable rural development.
6. Long-term ecological and socio-economic benefits for the adopted villages.

**Proposed Slogan:**

**"One Sapling Today, Sustainable Prosperity Tomorrow"**

**"Plant Trees, Strengthen Livelihoods, Build Sustainable Villages"**

**Note: Expenditure shall be borne out of fund allotted for UBA to PI.**
