Date of Event – 16.09.2025

Resource Person Details – Dr.V.Hariharan, Principal, Paavai College of Engineering,

Participants - 80

As part of the **Unnat Bharat Abhiyan (UBA)** initiative, a **Village Cleaning Drive** was conducted on **16 September 2025** at **Puduchatram Village**. The objective of the programme was to promote cleanliness, hygiene, environmental awareness, and community participation among the village residents.

Faculty members, student volunteers, and local residents actively participated in the cleaning campaign. The volunteers cleaned village streets, public areas, drainage sides, and common spaces by collecting plastic waste, dry leaves, and other litter. The collected waste was segregated and disposed of properly to ensure a cleaner environment.

During the programme, awareness was created among the villagers about the importance of maintaining cleanliness, avoiding plastic littering, and practicing proper waste disposal. The participants also encouraged the community to adopt hygienic habits and keep their surroundings clean.

The village cleaning drive was successfully completed with enthusiastic participation from all stakeholders. The programme strengthened the social responsibility of the students and reinforced the objectives of Unnat Bharat Abhiyan in building clean, healthy, and sustainable villages.
