Orientation Programme on Village Survey in UBA-Adopted Villages- A Joint Initiative of Unnat Bharat Abhiyan (UBA) and Swami Dayananda College of Arts & Science-Date: 2-July-2026.

Need of the Activity

The Orientation Programme was organized to prepare faculty members for conducting the Village Survey in the villages adopted under the **Unnat Bharat Abhiyan (UBA)**. The programme aimed to familiarize participants with the objectives of the survey, the villages data collection process, survey methodology, documentation procedures, and the importance of collecting reliable baseline information for planning rural development activities. The orientation also emphasized the role of faculty members in guiding students during field visits and ensuring systematic data collection.

Details of the Activity

The Orientation Programme was conducted on 02 July 2026 at Swami Dayananda College of Arts & Science, Manjakkudi under the auspices of Unnat Bharat Abhiyan (UBA). The programme commenced with the gracious presence of Dr. V. Hema, Principal, who encouraged the faculty members to actively participate in community engagement initiatives through UBA. The keynote address was delivered by Dr. T. Nagarathinam, Assistant Professor, Department of Computer Science and UBA Participating Institute (PI) Coordinator.

During the session, he explained:

- Objectives of the villages Survey.
- Survey planning and field preparation.
- Techniques for collecting accurate villages information.
- Proper interaction with villagers during the survey.
- Ethical practices and confidentiality while collecting data.
- Documentation and submission of survey reports.
- The significance of survey data in identifying village needs and planning developmental interventions under UBA.

Impact of the Program

- Faculty members gained a clear understanding of the objectives and methodology of the Village Survey.
- Participants became familiar with village survey formats and data collection procedures.
- The programme enhanced the confidence of faculty members to coordinate and supervise survey activities in the adopted villages.
- The orientation strengthened institutional commitment towards effective implementation of Unnat Bharat Abhiyan activities.
- Faculty members were motivated to actively engage with rural communities and support evidence-based rural development initiatives.

Outcome

- **Faculty members** of Swami Dayananda College of Arts & Science actively participated in the Orientation Programme.
- The participants acquired practical knowledge on conducting village Surveys in UBA-adopted villages.
- **Dr. T. Nagarathinam** provided comprehensive guidance on planning and executing village surveys, including household data collection, interaction with villagers, and maintaining the accuracy and quality of survey data.
- The programme successfully prepared the participating faculty members to undertake the forthcoming Village Survey in the adopted villages with confidence and efficiency.
