PRESS NOTE

Blood Check-up and Diagnostic Screening Camp under Unnat Bharat Abhiyan (UBA)

DATE:21th July 2026:

As part of its commitment to community healthcare and rural development, **KGRL College of Pharmacy** organized a **Blood Check-up and Diagnostic Screening Camp** under the **Unnat Bharat Abhiyan (UBA)** initiative. The program aimed to promote preventive healthcare by providing free basic diagnostic services to the local community.

During the camp, qualified healthcare professionals, pharmacy faculty members, and student volunteers conducted essential health screenings, including **blood glucose estimation, blood pressure measurement, hemoglobin testing, blood grouping, and other basic diagnostic tests**. Participants also received personalized health counseling, medication guidance, and awareness on maintaining a healthy lifestyle.

The initiative served as an effective platform for the early detection of common health conditions while encouraging regular health monitoring among the public. It also provided pharmacy students with valuable hands-on experience in community healthcare services and patient interaction.

Through this UBA activity, **KGRL College of Pharmacy** reaffirmed its commitment to improving rural healthcare, promoting preventive medicine, and extending quality healthcare services to underserved communities.

**KGRL COLLEGE OF PHARMACY**
Established under the Management of The Bhimavaram Education Society
Affiliated to Andhra University, Approved by PCI (New Delhi) and APSCHE, AP SBTET (Amaravati)
