REPORT ON WORLD CANCER DAY AWARENESS PROGRAM ON

4TH FEBRUARY 2025

Venue: GVHSS KOONATHARA

Time: 10.00 - 11.30 A.M

Topic: World Cancer Day

Beneficiaries: Higher secondary school students of GVHSS, Koonathara

The Department of Medical-Surgical Nursing successfully conducted a program to commemorate World Cancer Day on February 4th, 2025, at VHSS, Koonathara. The event was attended by students of the school and was aimed at raising awareness about cancer and its prevention.

The program began at 10:00 am with a video clip related to cancer awareness, which highlighted the importance of early detection and treatment of cancer. The video was followed by a thematic dance performance by the third-semester students, which conveyed a powerful message about the need for cancer awareness and prevention.

The third-semester students presented the programs under the guidance of the Department of Medical-Surgical Nursing. The students' energetic and enthusiastic performance was well-received by the audience, and the program was overall a huge success.

The World Cancer Day celebration was a huge success, and the Department of Medical-Surgical Nursing is proud to have been a part of it. The department looks forward to continuing its efforts in promoting health awareness and education among students and the community, and to making a positive impact on the lives of those affected by cancer.

The program was concluded by vote of thanks given by Mrs Lakshmi Devi.
