PANAYUR (PO), VANIYANKULAM, PALAKKAD - 679522

P.K Das College of Nursing 7th semester B.Sc. Nursing students participating in Mega Multi Speciality Medical camp 'ANBODU THRITHAALA' that was conducted on 11/05/2025 Sunday in G.V.H.S.S Vattenadu at 8:00 am to 1:00 pm. The Medical camp was organized by Thrithaala M.L.A Mr M.B Rajesh. Over 2000 people of Thrithaala were benefited through the camp.

AIM

The camp aimed to provide free medical consultations, health check-ups, basic laboratory tests and distribution of medicine to the public especially targeting underprivileged sections of Thrithaala society. A team of doctors and health care professionals from P.K.D.I.M.S, P.K. DAS College of Nursing 7th semester students and various other hospital professionals participated in the camp.

The event witnessed the active participation of local residents, students and volunteers. Health awareness sessions were also conducted to educate the public on common diseases, hygiene practices and preventive health care.

As part of our Academic field training, the students of 7th semester BSc.Nursing visited the Family Health Centre (FHC) located at Vaniyamkulam from 3rd May 2025 – 31st May 2025

Objectives

To understand the organizational structure and functioning of the FHC

To observe the services delivered including OPD, Maternal & child health and National health programs

To interact with healthcare providers and understand their roles

To learn about community outreach programs & public health education

We performed various procedures in the family health centre, they are as follows:

- Screening for dental problems (50)
- Screening for minor ailments (39)
- Screening for emergency (39)
- Screening for eye problems (50)
- Screening for ENT problems (89)

Through the posting days students got a good exposure to the community and helped to build their communication with the community as well as they could understand the health problems in a specific locality.
