

HEALTH EXHIBITION

SWASTHYA 2K23

INTRODUCTION

We Medallions conducted a health exhibition SWASTHYA 2K23 in Nehru College of Nursing Vaniyamkulam on 11/09/2023, Monday at 10:30am to 04:30pm for school students and college students.

According to World Health Organization (WHO) "Health is defined as state of complete physical, mental and social well being not merely an absence of disease or infirmity." We aimed to improve the health of students and also we initiated to bring out good healthy habits through this exhibition. Beneficiary of health exhibition was school students from T.M.U. School, Panamana, Swathy Central School, Vaniyamkulam and our college students were also participated in health exhibition.

Human science which includes specimens of body organs from PKDIMS Vaniyamkulam, models, human skeleton and whole human body chart are presented. Working model of heart, charts and models of fetal circulation and fetal development are well exhibited and explained.

Regarding the sanitation good housing model, chlorination of water, sewage treatment plan and the working model of water purification are presented.

Model of communicable diseases, charts regarding hepatitis, dengue, corona, tuberculosis, leptospirosis, malaria, rabies are presented and well explained.

Charts of personal hygiene, balanced diet, diet for immunity development and National Immunization Schedule.

After the exhibition we 4th year B.sc nursing students conducted a puppet show regarding Non Communicable Diseases which was quiet interesting and informative. The students from the schools enthusiastically attended the show and they were aware about the various life style changes and non communicable diseases.

CONCLUSION

School students are change agents, because they communicate the learning experiences from health exhibition to individuals, friends, family, and relatives and bring changes in the community.
