

World Environment Day Report under Unnat Bharat Abhiyan

Title: World Environment Day Celebration

Date: 5 June 2026

Organized Under: Unnat Bharat Abhiyan (UBA)

Report

World Environment Day was celebrated under the **Unnat Bharat Abhiyan (UBA)** to create awareness among students and the community about environmental protection and sustainable living. The programme focused on the importance of keeping our surroundings clean, conserving natural resources, reducing plastic waste, and protecting trees and biodiversity.

Students and community members actively participated in awareness activities and discussed practical ways to protect the environment. Emphasis was given to **tree plantation, waste segregation, plastic reduction, water conservation, and cleanliness.**

The activity helped to develop environmental responsibility among the participants and encouraged them to adopt eco-friendly practices in their daily lives. The programme concluded with a commitment to work collectively towards a **clean, green, and sustainable environment.**
