process for its Institutions**

Milestones of Unnat Bharat Abhiyan

Convergence with Other Ministries of Govt. of India

- 1. Ministry of Rural Development & Panchayati Raj**
 - To link Sansad Adarsh Gram Yojana and other schemes
- 2. Ministry of water Resources & Ganga Rejuvenation**

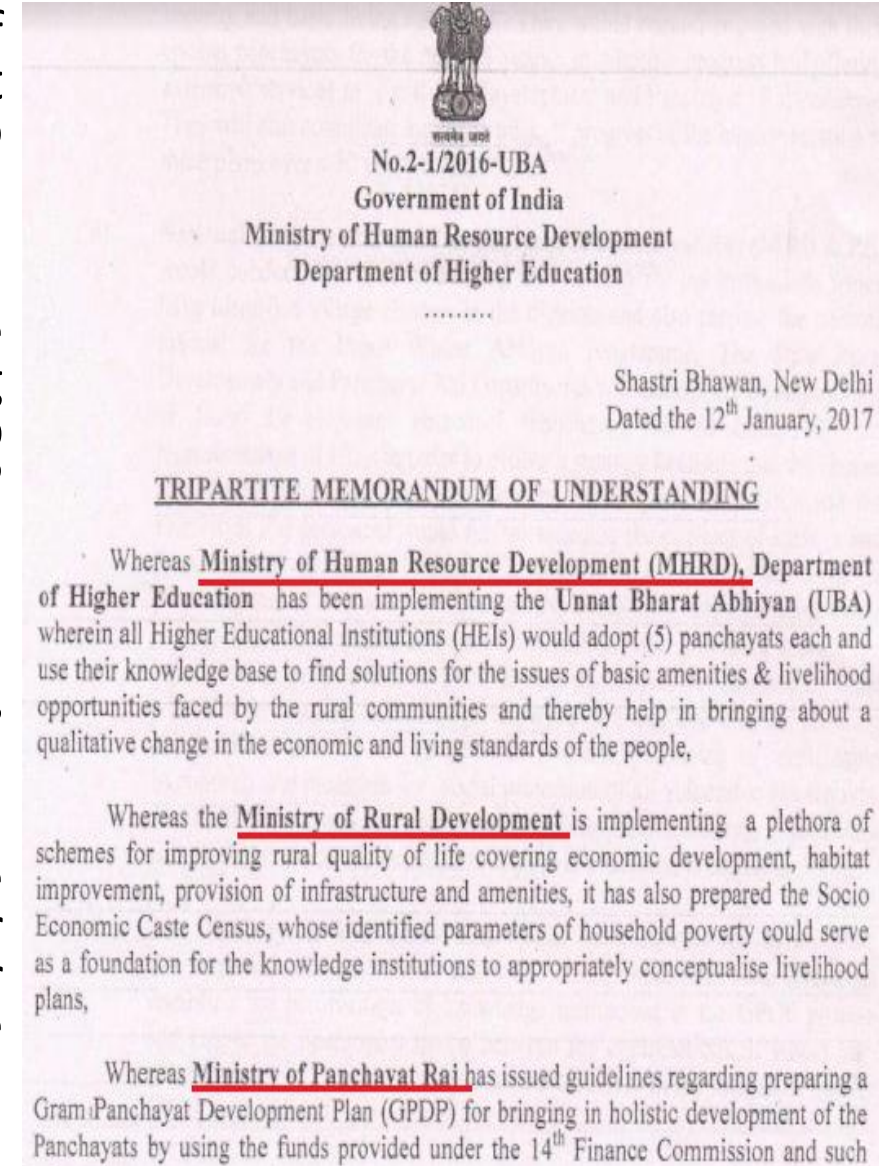

Institutes of higher education have adopted five villages each in the Ganga Basin under Namami Gange Program.
- 3. Ministry of Youth Affairs & Sports**
 - Involving NSS in UBA activities.
- 4. ICAR, Ministry of Agriculture**

Tripartite Agreement for UBA

- The Tripartite Agreement entered into between the Ministries of HRD, Rural Development and Panchayati Raj on the Unnat Bharat Abhiyan programme, with the objective of joint endeavour to achieve the deliverables.
- Signed by respective Secretaries on 12th Jan 2017.
- **Ministry of Panchayati Raj** would issue instructions to all State governments and local bodies about this arrangement, instructing the involvement of knowledge institutions in GPDP process. It help in allocation of financial resource ensuring quality GPDP formulation.
- **Ministry of Rural Development** will make available SECC 2011 data to the IIT Delhi so as to formulate Household level Plans and monitor the progress over next 10 years. It will also facilitate via its network, participation of DCs, DRDAs etc. to assist the program process. Also help in resource allocation for GPDP implementation.
- **Ministry of HRD** will ensure overall coordination among three Ministries party to this arrangement. It will encourage all Higher Education Institutions to adopt village clusters in their vicinity for increasing the coverage throughout country. It will ensure participation and monitoring of Rural Development and Panchayati Raj personnel in activities of UBA.

Cluster and Institutional Networking- 2016-2017(Phase I)

Institutes

- Total Institute - 45
- No. of Institutes, identified villages- 39
- No. of Institutes, MoU signed- 30
- No. of Institutes, funds transferred: 29

Districts

- Total Districts - 92
- Districts covered-60
- Remaining Districts- 32

Cluster and Institutional Networking- Present Status

- Total Institutes which have Identified Villages : 79
- MoU signed: 59
- Funds transferred: 53 Institutes
- Funds transfer under process : 6

Additional Institutes(other than Phase I)- 40

Zone wise Coverage of UBA

- North Zone- (6 States, 25 Districts, 35 Participating Institutions)
- East & North East Zone- (10 States, 11 Districts, 11 Institutions)
- South Zone - (5 States, 8 Districts, 14 Institutes)
- West Zone- (4 States, 16 Districts, 19 Institutions)

Reporting Portal-UBA Website...

Introduction:

- Reporting portal is online web platform where Participating Institutes under UBA can report their progress and activities(<http://unnat.iitd.ac.in/erp/>)
- Linked to Unnat Bharat Abhiyan(UBA) website
- A PHP based customized system

Contents and Flow of Information

- i. Instructions** for login and data entry for the Participating Institutes(PIs) under UBA
- ii. Login facility** for PIs to enter respective institute page
- iii. Information about coordinator, contact details and the villages identified under UBA
- iv. Baseline Survey Forms-**
 - Web format- Household Survey Form and Village Survey Form
 - Data entry by the PIs

Reporting Portal-UBA Website...

v. Village Development Plan (VDP)-

- Following Documents Circulated to PIs for VDP Preparation-
Guideline for Village Development Plan (VDP)
Participatory Rural Appraisal(PRA)
Resource Mapping
Need Analysis
- PIs can upload VDPs of their respective villages at their Institute page
- VDPs will be available in public domain

vi. Monthly Activity Report-

- Web format to be made available for PIs to feed their monthly progress
- Reports to be made available in public domain

vii. Admin Panel-

- For managing/monitoring the submitted data and progress by Pis
- Credentials for Coordinating Institute, IIT Delhi

viii. Manual Forms checking (Monitoring):

- Forms being checked in excel sheet of database copy

Reporting Portal-UBA Website Present Status

Login Credentials:

- In total 48 login credentials created and communicated to the PIs

Data Entry from PIs:

- 26 institutes actively feeding data
- 118 village survey forms completed
- 13500 household survey forms completed

Data Analysis Report:

- Format ready- Reports are available to the PIs and to the Admin Panel

Manual Forms checking(Monitoring):

- Forms checked in excel sheet of database copy
- Mails are regularly sent to institutes for whom data check done

Monthly activity report:

- Web format of the Monthly activity report has been customized on UBA website, to be available at PIs page by 11th August, 17

Village Development Plan(VDP) upload facility:

- Upload facility created for the PIs. To be available at PIs page by 11th August, 17
