**Activity:4**  
**BAL- VIKAS**  
**UBA initiative**

**Theme: Child Health and cleanliness**

**Village Name: Ariyavoor Ukkadaariyavoor**

The Wealth of a nation is not so much in its of economical and natural resources but it lies more decidedly in the kind and quality of the wealth of its children and youth. It is they who will be the creators and shapers of a nation's tomorrow. With the motive of overall development of children, this year the institution started the program of BAL-VIKAS which is spreading awareness to general public regarding child physical and mental health. The children were sensitized about the importance of washing their hands before and after eating and exercising daily and the importance of playing sports and inculcating other healthy habits to avoid falling sick. They were told about balanced diet, cleanliness and maintaining oral and personal hygiene. The children were asked to share their daily routines and the steps they took every day to maintain hygiene. The children learnt a lot from the session and promised to follow all the good habits.

## Activity:5

**Name of Activity:** 'SAHAS' Making Women Self-Reliant

**Theme:** Women role in Nation-building

### Need of the Activity

'SAHAS' Making Women Self-Reliant program works with women living in villages. By forming SHGs and collectives, they are provided knowledge and skills to save money, access micro credit, engage in income generating activities and become agents of change.

Women living in rural areas of Ariyavur Ukkadaiyavur village have little control over their lives or in decision making matters. Dependency on male members limits their own agency within the social and familial setting.

Dependency on male members of the family was observed in almost every sphere of their lives. In part, women's low status in the family and lack of decision-making was ascribed to her near total economic and social dependency on men.

The following activities are conducted in the program:

- Women role in nation- building
- Steps: Ideation to commercialization
- Business Under Rs.50,000/-
- Government scheme for women entrepreneurs
