MEETING WITH PANCHAYAT LEADERS & WORKERS

11th September 2023

The UBA team of our institution visited the UBA service village Ammanpuram and had a meeting with the Panchayat Leaders, Workers & SHGs representatives. The main purpose of the meeting is to know the needs of the people to improve their livelihood. From the discussion it was identified that there is a gap between the need of the people & approaching the government schemes, so it was decided to organize a camp in the village where the officials from MSME & KVIC can be invited to give an orientation about the schemes available and the path to reach the schemes to get benefited.
