List of Activities:

Activity 1:

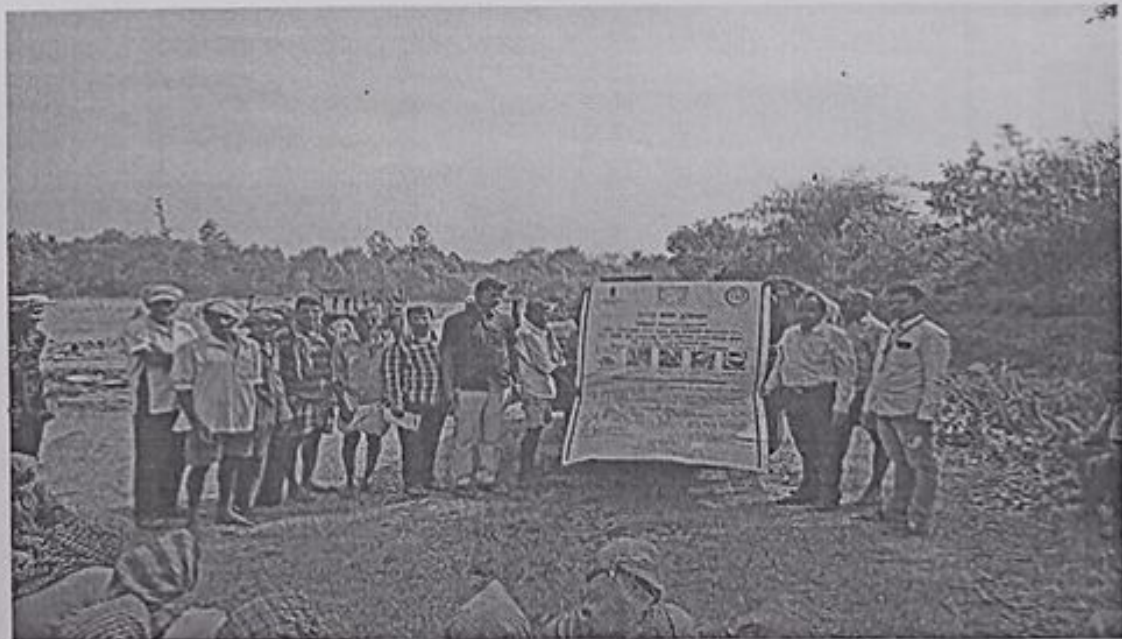

Title of Activity: Tech4 Seva – Awareness Program on utilisation of Solar Energy in Agriculture

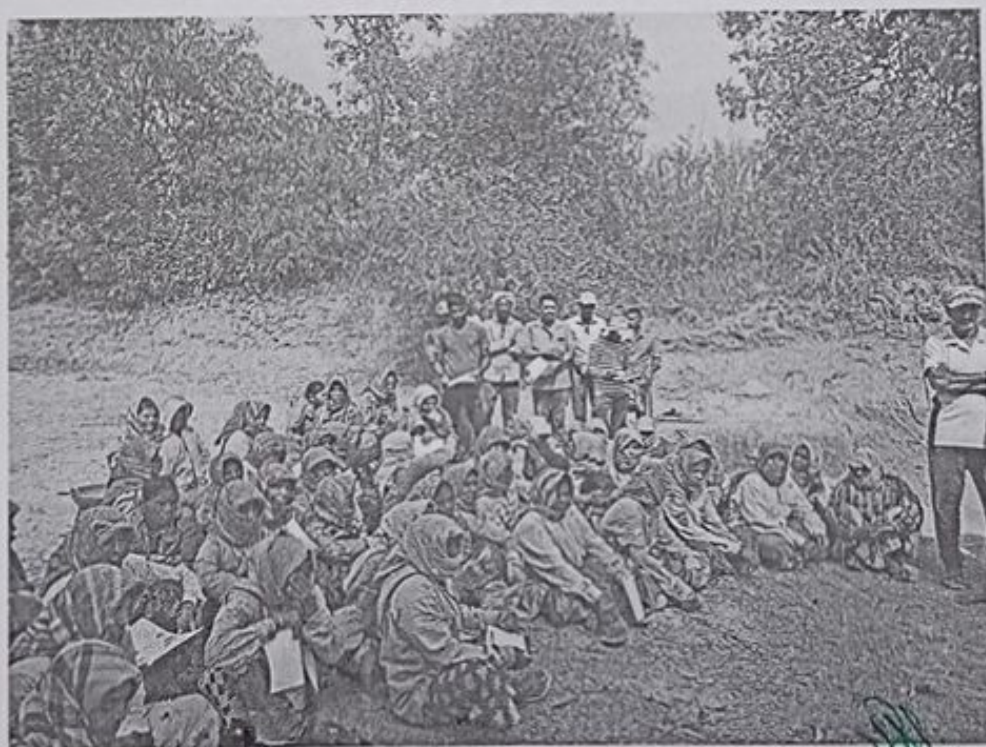

Need of Activity: Importance of Solar Energy in Agriculture.

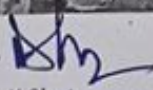

Brief Description: Sanjay Memorial polytechnic, Sagar(AISHE CODE: S-1422), Karnataka State , 02 February 2023: We have organized A"wareness Program on utilisation of Solar Energy in Agriculture" under Tech4Seva Programme . The main purpose of this programme was to create awareness among the farmers and Villagers regarding effective utilisation and benefits of solar energy in agriculture growth and sustainability. Under this programme, Most of Villagers ,President and members of Keladi Grama Panchayat are participated. Even Gramapanchayat officials, Employee of Selco solar company and our college staff were the essential part of this drive. As a part of this awareness programme, we had to give them awareness on effective utilisation of solar power household equipments and agriculture pumpsets and other schemes available.

More than 100 villagers are under MGNREGA SCHEME are educated by our Coordinator Mr. Raghavendra K Shet and Mr. Agumbe BabuRao and Mr.Ravindra Gouda Employee of Selco Solar Light Private Limited, Bangalore .

They were delivered the speech telling us the importance of sustainability in power usage in agriculture. In the end we requested them ^{to} educate the other villagers make use of technologies in agriculture for the development. It was a unique experience for all of us. We were curious to be the part of this great drive. We have some of the Photos here,
