A Report

Sanjay Memorial polytechnic, Sagar(AISHE CODE: S-1422), Karnataka State , 06 Oct 2023: In Our College Campus we have organized cleanliness drive under Swachh Bharat Abhilyaan Programme in the memory of Gandhi Jayanti . The main purpose of this programme was to create awareness among the students and staff regarding Cleanliness and its benefits. Under this programme, all the final year students from Diploma in EC,ME,CS,CE and EE Branch have participated. Even teachers were the essential part of this drive. As a part of this Cleanliness Drive, we had to clean the garden of our college.

Our Principal started the programme by cleaning the corners of the garden. Then the teachers and students followed suit, our students took cleaning tools started cleaning job. And others went to the play ground and started picking wrappers lying scattered there. After collecting them they threw them in to the dustbins. After doing this job for two to three hours, we all assembled in the College hall. There we have provided refreshment in the form of Lunch.

There after our Principal delivered the speech telling us the Importance of sanitation. In the end we all took oath of keeping our home, locality and city clean. It was a unique experience for all of us. We were curious to be the part of this great drive. We have some of the Photos here,
