Title of the Activity: Village and household survey of Rikhad

Need of the Activity: To know the basic issues regarding basic daily life

Brief Description (Need/Impact/Action/Picture (if any)):

I am extremely sorry for such a very busy Schedule due to NAAC assessment in our college. Due to shortage of college staff and students we were totally busy in the assessments. Also in the past month there were a big issue of land sliding and heavy rainfall in the area villages. Connectivity is also affected by these natural disasters. So we can participate in any kind of activity.
