Summary Report on Marrithanda Village Visit

CIST (Centre for Innovation and rural Transformation) Team along with first year students visited Marrithanda Village as part of Social Innovation course to understand the rural life. When students interacted with farmers, they identified problems like damage of crops due to wild boars, no transportation facility for cops, no space for storage of vegetables, no usage of technology in the agriculture fields and no instrument for plucking weed etc. Students also interacted with marginalized group of people and identified the beneficiaries of government schemes and individuals from marginalized groups (Below poverty, SC, ST, Others) people in Marrithanda Village.

Students Interacting with Marrithanda Village People.

Impact Analysis

- The Students are understood the Problems of farmers
- The students were identified the problems of beneficiaries in the village.
- Due to Non-awareness among the people they are unable to benefit the Schemes. Now the people are aware of the various schemes and have some knowledge about the benefits from it.
