

Annexure- I

Name of the Institution:

Government General Degree College, Ranibandh.

AISHE CODE: C-53264

Adopted Village:

**1. BANSHDIHA, 2. JHILIMILI, 3. CHURKU,
4. RAMGAR, 5. MUCHIKATA.**

No. Of Gram Sabha Conducted: **NIL**

We have successfully conducted two awareness campaigns - Plastic Free Zone and Water Conservation in the five villages that we have adopted for Unnata Bharat Abhiyan.

For 'Plastic Free Zone' campaign we have visited those villages and instructed the villagers clearly as how to prohibit single use plastic products like water bottles, coffee cups, plastic bags, polystyrene foam items, etc and made them understand the harmful effects of plastic pollution and its effect on environment and on us. We have also instructed them on how to avoid plastics and look for alternatives like using jute, cloth or paper bags, and suggested to at least reuse them as many times as they can before disposing the plastics off if they had to use plastics.

For Water Conservation we have come to understand that the villagers solely depend on tube well and pumping for their daily need of water and farming due to the lack of both water conservation knowledge and absence of water reservoir. We have communicated and instructed through different water programmes as to how reduce the unnecessary wastage of water and the recycling of water to maintain the underground water level as per the process of "earth keeping" by conserving rain water by digging ponds, lakes, canals, etc. we also understand that to conserve the underground water level, the villagers are in a dire need of water reservoirs.
