About the Programme:

The Department of Electronics along with UBA, conducted a Three Days Outreach Program from the 29th to 31th of March 2022, for 2 schools adopted as part of **UNNAT BHARAT ABHIYAN (UBA)** on “**HANDS-ON BASIC ELECTRONICS AND CIRCUIT DESIGNING ON BREAD BOARDS**” under DBT Star College Scheme.

The Plan was to conduct the program in a “**DO AND LEARN**” manner for three consecutive days with the 4th and 6th semester students as instructors. Each day would have two sessions and each session would be of two hours duration. There would be a break of one hour between two sessions.

Two Schools from Mylliem agreed to be a part of the program with their Class IX and X students. The schools are **RAM KRISHNA MISSION SECONDARY SCHOOL MYLLIEM having 26 students** and **MYLLIEM PRESBYTERIAN HIGHER SECONDARY SCHOOL** having 28 students. The Students from Electronics Dept were accordingly divided into two groups.
