

UNNAT BHARAT ABHIYAN (UBA)

SURVEY REPORT – ACADEMIC YEAR 2023-24

As a participating institution under Unnat Bharat Abhiyan Programme of G.O.I , St.Francis College for women, Begumpet, Hyderabad adopted five villages in Sanga Reddy District of Kandi Mandal in Telangana namely Kandi Thanda, Laxmi Nagar Colony (Specially challenged people colony) in Kandi Village , Erdanoor Thanda, Ippalagadda Thanda, Vaddenaguda Thanda. On 13th December 2023, UBA Cell Coordinator Ms. D.Rupali, core committee members accompanied by 84 students from various streams, 15 faculty members and two non - teaching staff visited all the villages to conduct a household survey as a part of UBA Programme.

College arranged two buses fifty seater each to accommodate 85 students, fifteen teaching staff and two non-teaching staff. Students reported the college premises in the early morning hours at 06:00 am and we started our journey by 06:15 am and reached kandi Tanda at 08:10 am. In the bus refreshment were distributed to the students, though students got their own breakfast. Mineral water was provided by the college. As five villages were surveyed on the same day lunch was provided by the management at Kandi Tanda. The Head man of the kandi tanda Mr. Suresh did all the need full arrangements and accordingly bill amount for lunch was reimbursed. The student volunteers from different tandas helped our students in conducting the Household survey. After completing the survey in all five respective villages, the students had their lunch and reached college by evening 07:30 pm.

It's worth mentioning, that there was unconditional cooperation from all the villagers though for the first time the students visited the Tanda. The village secretary from all the five tandas extended great help in gathering all the villagers. Multiple visits by the core committee members accompanied by Ms D. Rupali the Coordinator have strengthened the goodwill relationship among the institution and tanda.

Students had hands on experience to experience the existence of remote villages in Telangana especially Tandas in Sanga Reddy district. Many students emotionally got attached to the villagers while knowing there problems. The hospitality provided by the villagers was highly appreciated. Students are eager to visit these tandas in the next program schedule irrespective of coming early hours to college. This shows that the students commitment towards village development program will surely have a positive impact on the development of the villages.
