

Unnat Bharat Abhiyan cell of Hindu Kanya College Kapurthala organized a Covid Vaccination Awareness camp in its adopted villages Mushakved and Villa Kothi on 13 July 2021. Teachers covered 50 families under this campaign in which they counseled villagers about the importance of vaccination to combat the deadly onslaught of Corona Virus. They also collected data on vaccinated people. Out of 150 adults, only 74 adults were vaccinated with the 1st dose. Teachers clarified their myths and doubts regarding the vaccine and also interacted with them on other related issues. Motive:- To be aware of the Villagers about Covid vaccines. Outcome:- Under this campaign, 50 families in the villages were counseled about the importance of the COVID Vaccine to combat the deadly onslaught of CORONA Virus. This campaign also helped to clarify the myths and doubts regarding Vaccination.

Beneficiaries:- 150

**Household survey of Villages Mushkved, Aujla Banwali and Dhandal
Event: A household survey of Villages Mushkved, Aujla Banwali
and Dhandal**

**Motive: To understand the present status of villages and to aware the students about rural problems and realities.
Outcome: Students came to know about the setup, family structure, and standard of living of the villagers; their educational background, general awareness, and their financial status. The students benefitted from this survey as it broadened their perspective about the social milieu and enhanced their research aptitude.**
