

### Medical Camp at Village Mushkved ( Seenpur)

**A Medical Camp was organized in the Village Mushkved by Unnat Bharat Abhiyan Cell for the villagers. Dr. Yogesh Sehgal from Civil Hospital, Kapurthala performed the checkup of villagers and prescribed them medicines, free of cost.**

**Outcome: The necessary healthcare services were provided by the Cell to the villagers free of cost, with the help of a team of medical experts from the Civil Hospital, Kapurthala. Villagers were being diagnosed and suggested the precautionary measures to address the alarming health issues in time and prescriptions were provided to them by the doctor. This initiative of the Cell not only benefitted villagers, but also sensitised student volunteers of the Cell to participate in the community awareness programs.**

**No. of Beneficiaries: All residents of village Mushkved**
