List of Activities:

ACTIVITY 1:

Name of Activity: Republic day Celebration

Need of the Activity: The Republic Day celebration at the UBA adopted village school aims to instill a sense of patriotism, unity, and awareness of democratic principles among the students. By commemorating this significant day in India's history, the activity fosters a deeper understanding of the country's democratic values and the importance of being active citizens in building a prosperous nation.

Description in 200 words (along with the Pictures):

The Republic Day celebration at the UBA adopted village school commenced with the hoisting of the national flag, symbolizing the sovereignty and unity of the nation. Students dressed in traditional attire performed cultural dances, depicting the rich tapestry of India's cultural heritage. Patriotic songs filled the air, echoing the spirit of freedom and national pride.

Educational activities such as quizzes and speeches were organized to educate students about the significance of Republic Day and the principles enshrined in the Indian Constitution. Through interactive sessions, students learned about the rights and duties of citizens, promoting civic engagement and social responsibility.

The celebration culminated with the distribution of sweets and prizes, fostering a sense of camaraderie and joy among the students and teachers. The event served as a memorable occasion for the entire village community, reinforcing the bond between the school and the society it serves.

ACTIVITY 2:

Name of Activity: UBA Members' Plantation Drive on Campus

Need of the Activity: The Plantation Drive on campus by UBA members serves multiple purposes. Firstly, it contributes to environmental conservation and sustainability by increasing green cover and reducing carbon footprint. Secondly, it fosters a sense of responsibility and environmental stewardship among UBA members, encouraging them to actively participate in initiatives that benefit the community and the planet. Lastly, it enhances the aesthetic appeal of the campus, creating a conducive and vibrant environment for learning and recreation.

Description in 200 words (along with the Pictures):

UBA members gathered on the campus grounds for a Plantation Drive aimed at greening the environment and promoting ecological balance. Armed with saplings and gardening tools, they embarked on a mission to plant trees across designated areas of the campus.

In a collaborative effort, UBA members dug holes, carefully planted saplings, and watered them, ensuring their healthy growth. The activity provided an opportunity for members to engage in meaningful conversations about the importance of trees in mitigating climate change and preserving biodiversity.

As the sun bathed the campus in golden hues, the sight of freshly planted saplings injected a sense of hope and renewal. Through their collective action, UBA members demonstrated their commitment to sustainability and community welfare.
