Blood donation Campaign

Blood donation is a vital part of healthcare. To aid and save the lives of others, people donate their blood. Nothing is comparable to the preciousness of human blood. UBA along with NSS cell of TKMCE joined hands with the Kerala state blood donors associated to make students and common people around to understand the importance of blood donation. Many people participated in this blood donation campaign.

Har Ghar Tiranga

Tricolour, the National Flag of India invokes the feeling of patriotism in the hearts of people. It represents the freedom we achieved from the foreign powers, as a result of the centuries-long struggle by our freedom warriors.

The NSS Units and UBA Cell of TKM College of Engineering distributed National Flags in houses around the college as part of Har Ghar Tiranga, the campaign under the aegis of Azadi Ka Amrit Mahotsav; the celebration of 75 years of Independence.

Cancer Awareness program on world health day

The aim of the campaign conducted by volunteers is to create cancer awareness amongst the population of villages. It is important to dispel the myths that people wrongly believe, inform them about the signs and symptoms, and importance of screening for early detection.

Drug Awareness Activity

Addiction is a condition with far-reaching consequences. Families are torn apart, and trust is often broken. Not only the addicted individual but also friends and family suffer because of the actions of those struggling.

We had conducted a symbolic drug disposal programme as a part of Vimukthi, an anti-narcotics campaign launched by the Government of Kerala to create awareness among the people, especially the youth. The program aimed to save the younger generation from the trap of drug addiction.

Walk Against Human Trafficking

Volunteers united with the Walk for Freedom movement by wearing black and walking 3 km, to signify solidarity for the ones who have no voice for themselves. The victims of human trafficking, exploitations can be people of any group and from anywhere in the world. The aim of the group walk was to support the victims and let them know they are not alone in their fight for freedom.
