REPORT

Event Name	Awareness Programme on Dengue and Malaria
Date	18.09.2018
Venue	Laxmipur
Organized by	Mind Mantra – The Health Club : JB Institute of Technology
Participated by	45 Students & 05 Teachers
Programme Coordinator	Mr. Madan Pal
Programme Content	Prevention of Dengue and Malaria
Programme Objective	<ol style="list-style-type: none">1. To educate villagers about the causes and effects of Dengue and Malaria by providing a live demonstration through a hand-made model prepared by the student to showcase the existing causal relationship of the environmental factors.2. To create awareness about the early symptoms of Dengue and Malaria and to get proper treatment under the supervision of a competent doctor.3. To prevent the water pollution, garbage stock and water stock in the local community are the basis reasons behind the dengue and malaria.4. To provide information regarding the health safety issues which are necessary to protect from Dengue and Malaria.
Programme Outcome	<ol style="list-style-type: none">1. Students visited Laxmipur village and demonstrated a model indicating the two comparative layouts of a clean society and a polluted society. Through this model students created awareness about the causes and effects of Dengue and Malaria.2. Villagers were guided to assure the cleanliness of area by stopping water and street pollution.3. Early symptoms of Dengue and Malaria caused in child, young, old and child patients were addressed to the villagers.4. Primary school children also participated in this awareness programme for sharing information for all the residing families of the village.
