## TARANGA EVENT

Activity Name:	Taranga
Prepared by:	Shyamantha Suryaprakash, Deputy Director Student Affairs
Date:	January 16, 2024
Time:	10:00 am

### Overview

The Taranga event held from January 11th to 13th, 2024, proved to be a resounding success, spanning three exciting days. This well-organized event seamlessly integrated a variety of competitions, a captivating celebrity concert, and an energetic DJ event, creating the perfect blend of activities that every student eagerly anticipates in their campus life. The event not only showcased diverse talents and skills through competitions but also provided entertainment and enjoyment through the electrifying performances of renowned celebrities and the vibrant atmosphere of the DJ event. Overall, Taranga 2024 left a lasting and positive impression, fulfilling the expectations and desires of the student body.

### Roles and Responsibility assigned for DSU

1. Nominate students for all the competition
2. Send nomination for faculty events
3. Campaign of the event in all the campuses and on social media
4. Encourage and promote the event to students to buy the tickets
5. Support venues to class rooms, gallery hall and other venue to conduct events

## 6. Arrange transportation for the Students for three day

### **Preparation:**

1. Facilitated pre-screening across all DSU schools to nominate students for Taranga, involving faculty members from the Cultural committee to select top teams for competitions.
2. Executed pre-event campaigns using various channels such as flash mobs, posters, classroom campaigns, and social media posts.
3. Circulated Google forms among students to collect participation information.
4. Utilized Google forms to gather details on students interested in availing transportation services.
5. Appointed 100 volunteers for the Disciplinary Committee, including faculty members, head boys, head girls from each school, and members of the Students Core Groups, to oversee and manage activities throughout the three-day event.
6. Vigilant monitoring of ticket sales accompanied by robust campaigning to motivate students to purchase tickets.

### **Result:**

1. Over 350 participants actively engaged in all competitions on Day 1.
2. Successful event campaigning reached approximately 1,500 students during campus outreach and garnered around 10,000 views on each social media post within an hour. Notable influencers, such as Celebrity Asses Kaur, shared our reel, and DJ Shaan expressed appreciation by liking our posts.
3. Utilizing the Google form survey, we determined an average number of attendees and identified students interested in availing transportation services.
4. Achieved a remarkable record of selling 220 tickets within a span of 3 hours through the concerted efforts of our core team.
5. A total of 1,300 tickets were successfully sold.
6. The disciplined coordination of students from the Disciplinary Committee, along with faculty members and CPA students, effectively managed a crowd averaging 3,500 on both days, playing a crucial role in the overall success of the events.

No. of villagers: 10

No. of faculty: 3

On January 30, 2024, students from Dayananda Sagar University actively participated in the "Suggi" program, a unique initiative aimed at providing hands-on experience in farming practices. The program, held in the village of Gottigehalli, focused on educating students about various aspects of farming, with a special emphasis on the extraction of ragi from the crop. The primary objective of the "Suggi" program was to familiarize students with the intricacies of farming, offering them a firsthand experience of the challenges and techniques involved in cultivating and processing ragi, a staple crop in the region.

The event took place in the picturesque village of Gottigehalli, providing students with an authentic rural setting for their immersive learning experience. The village's agricultural landscape served as an ideal backdrop for gaining practical insights into traditional farming methods. Participants were given the opportunity to get their hands dirty as they actively participated in various farming activities.

The program facilitated meaningful interactions between students and local farmers. These interactions provided students with valuable insights into the challenges faced by farmers, the significance of sustainable farming practices, and the role of agriculture in the community. Accompanying the practical sessions were informative talks and discussions on agricultural techniques, crop management, and the importance of ragi in the local economy. These sessions were conducted by both university faculty and experienced farmers.

**Introduction:** on February 15, 2024, volunteers from the department of social work (DSU) initiated a comprehensive awareness campaign on stress management in the rural village of T.hosahalli. The campaign aimed to equip villagers with practical tools and knowledge to manage stress effectively, addressing its impact on their mental and physical well-being.

**Objectives:**

To raise awareness about the causes and effects of stress. To provide villagers with strategies and techniques for stress management. To foster a supportive community environment for discussing and addressing stress-related issues.

**Activities:**

Interactive workshops: DSU volunteers conducted interactive workshops in the village community centre, engaging villagers in discussions about stress, its sources, and its effects on health and daily life.

**Educational sessions:**

Educational sessions were held to impart practical strategies for stress management, including mindfulness techniques, relaxation exercises, and time management skills.

**Group discussions:**

small group discussions facilitated open dialogue among villagers, allowing them to share their experiences with stress and learn from each other's coping mechanisms.

**Information distribution:**

Informational pamphlets and flyers were distributed door-to-door, providing villagers with additional resources and support contacts for managing stress.

---

**Outcomes:**

**Increased awareness:** villagers demonstrated a greater understanding of stress and its impact on their well-being, recognizing the importance of addressing stress proactively.

**Enhanced coping skills:** participants acquired practical tools and techniques for managing stress, including relaxation exercises and effective communication strategies.

**Community support:** the campaign fostered a sense of community support, encouraging villagers to seek help and support one another in managing stress-related challenges.

**Sustainable impact:** by providing ongoing support and resources, DSU volunteers laid the foundation for sustainable stress management practices within the T.hosahalli community.

**Conclusion:** the awareness campaign on stress management conducted by DSU volunteers in T.hosahalli was successful in empowering villagers with the knowledge and skills to address stress effectively. By fostering a supportive community environment and providing practical tools for stress management, the campaign has made a meaningful impact on the mental and physical wellbeing of the villagers. Continued efforts in mental health awareness and support are essential for sustaining these positive outcomes in the long term

4. The DJ Sundowner segment of the event proved to be a resounding success, with attendees thoroughly enjoying the pulsating beats and lively atmosphere, making it a memorable evening of entertainment and celebration for all participants.

## LEGAL AID CLINIC

### Report on Legal Aid Clinic by Dayananda Sagar University - March 28, 2024

- On March 28, 2024, Dayananda Sagar University organized a legal aid clinic in Bannikuppe village.
- 40 students from the university participated in the event, conducting a survey among the villagers. The survey aimed to gauge awareness levels regarding rights to education, work, livelihood, and access to legal services.

- Identified a lack of awareness among villagers regarding their legal rights and available support systems.
- Emphasized the importance of community outreach and education to empower individuals with legal knowledge.
- Suggested ongoing efforts to bridge the gap between legal aid services and rural communities for enhanced societal welfare.

## WORLD WATER DAY

1. Commemorating World Water Day, Dayananda Sagar University students organized a flash mob on 22nd March 2024, advocating against water usage during the Holi festival and promoting the use of dry colors.
2. The event featured a student delivering a speech on water conservation, highlighting the transformation of Bengaluru from a garden city to a silicon city and emphasizing the slogan "SAVE WATER, SAVE LAKES, SAVE BENGALURU."
3. Creative expressions such as street plays and posters were used to address various water-related issues, including domestic water wastage and the commodification of water.
4. The event concluded with a powerful reminder of the urgent need for sustainable water management practices, urging individuals to conserve water and preserve Bengaluru's ecological balance.

## INTERNATIONAL WOMEN'S DAY

1. Dayananda Sagar University (DSU) celebrated International Women's Day on March 9, 2024, with a range of impactful events aimed at showcasing solidarity and empowerment.

2. The day commenced with a symbolic gesture of unity and progress as members of the Devils Own Biking Club rode from Kudlu Gate to Harohalli, setting the tone for the day's activities.

3. DSU students organized vibrant flash mobs and community engagement activities at Harohalli campus, including distributing exam kits to government school students and conducting sessions on the importance of financial stability for women.

4. Through collaborative efforts and engaging initiatives, the celebration encapsulated the spirit of empowerment, advocacy, and solidarity, leaving a lasting impact on promoting gender equality and fostering inclusivity within the community.

## **INTERNATIONAL FOREST DAY**

- The event took place at Government High School, Cheelur village, Harohalli Hobli, with students and faculty from Dayananda Sagar University's School of Engineering volunteering for the initiative.
- Students and faculty engaged with high school students to raise awareness about the critical importance of forest conservation, emphasizing the need for sustainable practices to ensure a better future.
- Dr. Vinayak Hemadri, Chairman of the Mechanical Engineering Department, and Abhijith N, Assistant Professor of Mechanical Engineering, conducted informative sessions for the high school students, highlighting the significance of preserving forests.
- The DSU team received a warm welcome from the high school staff, who expressed eagerness for future collaborations. The initiative effectively spread awareness on forest conservation and nature protection among students and staff.

Dayananda Sagar University's observance of International Forest Day, showcasing their commitment to environmental stewardship and community engagement.

## **SOLID WASTE MANAGEMENT AWARENESS DRIVE- UBA PROGRAM**

1. Unnat Bharath Abhiyaan (UBA) conducted a Solid Waste Management Awareness Drive in Cheelur village, led by Dayananda Sagar University (DSU).
2. DSU students volunteered to engage with village households and the PDO office, aiming to understand and promote effective waste management practices.
3. Student volunteers also visited the Government high school in Cheelur village, interacting with faculty and students to raise awareness about solid waste management.
4. Faculty members including Dr. Vinayak Hemadri, Dr. Bhagyajyothi, and Mr. Madhu from the Mechanical Department actively supported and coordinated the event.

5. The Director of Student Affairs facilitated necessary resources, while information about DSU's waste management projects was shared with the high school staff, encouraging them to visit DSU campus for further insights.

## VOTERS AWRNESS CAMPAIGN

**Youth Empowerment:** The participation of Dayananda Sagar University students in the Unnat Bharat Abhiyan demonstrates the power of youth in driving positive change within their communities.

**Grassroots Impact:** By engaging with villagers directly at the government school in Cheelur village, the students effectively targeted the grassroots level, where awareness about voting rights and civic duties is often lacking.

**Educational Initiatives:** Through innovative activities such as interactive sessions, poster displays, and skits, the students utilized educational tools to make the concept of voting accessible and engaging to the villagers and eligible students.

**Civic Responsibility:** The campaign emphasized the importance of voting as a fundamental aspect of citizenship, instilling a sense of responsibility among the community members to actively participate in the democratic process.

Long-term Impact: By fostering voting awareness, the students contributed to building a more politically aware and participative society, laying the groundwork for sustained civic engagement and a stronger democracy in the future.

## CLUB LAUNCH

- Dynamic club launch event held at Dayananda Sagar University on March 4 2024 to inaugurate various clubs.
- Event featured an energetic flash mob performance and presentations by club representatives.
- Attendees had the opportunity to interact directly with club representatives, fostering engagement.
