**Subject: Gram Sabha Report**

On October 2, 2024, in celebration of Gandhi Jayanti, Gram Sabhas were organized in the fundamental institutions of Gram Swaraj i.e. Gram Panchayats. Under the "Unnat Bharat Abhiyan", our college participated Gram Sabhas in five adopted villages—**Arathi, Chotiya, Dalisna, Mahiyal, and Nandali-Miyansna**. During these events, ten students from our college attended each Gram Sabha.

In these Gram Sabhas, liaison officers from Mehsana district and Kheralu Taluka, the village Talati, Sarpanch, and local leaders and citizens were remained present. Citizens received information on how to present collective issues of the village and the implementation of various schemes by the Government of India, leading to discussions on the responsibilities and accountability of the officials.

The students took an oath for maintaining the village clean and disease-free, managing dry and wet waste, preventing waterborne diseases, and mosquito issues.

With the cooperation of the Talati and villagers, students actively participated in the Gram Sabha and learned lessons in youth leadership. Each student was awarded ₹200 by the District panchayat.

Through these discussions and activities, the students are committed to assisting in solving the village's issues.
