1.12/07/2023- BLOOD DONATION CAMP AT AIRAPURAM VILLAGE

UBA in association with NSS, Blood Donors club of the college has organised a blood donation camp with the cooperation of District Hospital, Aluva. The camp was organised as helping hand for the poor people as well as to spread the message of the importance of blood donation among the adopted village. Brochures and messages were spread among student's groups and village groups in advance of the camp.

The primary objectives of the Blood Donation Camp were as follows:

- To promote voluntary blood donation and create awareness about its importance in saving lives.
- To encourage students, faculty, and local community members to donate blood.
- To provide a safe and hygienic environment for blood donation, adhering to all necessary protocols.
- To foster a sense of social responsibility among the community members.

- To strengthen collaboration between the educational institution and the District Hospital for community welfare.

46 (Forty-Six) donors participated in the camp including the villagers. The Blood Donation Camp showcased the spirit of community service, selflessness, and collaboration, as it provided a valuable contribution to the local healthcare system by ensuring a consistent and safe blood supply. The initiative also highlighted the college's commitment towards society. The camp concluded by 2 pm.

UBA in association with Department of Commerce and NSS organized a successful free account opening drive at SSV College Valayanchirangara in association with SBI. The initiative aimed to promote financial inclusion among students and encourage them to start their banking journey with SBI. A total of 48 students actively participated in the account opening drive, showcasing enthusiasm towards financial literacy and banking services.

Services Offered: SBI representatives provided detailed information about various account types, benefits, and digital banking services available to students. They assisted students in opening savings accounts, explaining the process and documentation required.

Awareness Campaign: The drive also included an awareness campaign highlighting the importance of banking, saving, and managing finances effectively. Students were educated about the significance of maintaining a bank account for future financial transactions and building a strong financial foundation.

Documentation and Formalities: SBI staff facilitated the completion of necessary documentation and formalities required for opening accounts, ensuring a hassle-free experience for the participants.

Feedback and Follow-up: Feedback forms were distributed to gather participants' opinions and suggestions for further improvement. SBI committed to follow-up sessions to provide additional assistance and guidance to the newly opened account holders.

The free account opening drive organized by SBI at SSV College Valayanchirangara received positive feedback from participants and served as an effective platform for promoting financial literacy and banking services among students. By initiating such drives, SBI continues to strengthen its commitment to fostering financial inclusion and empowering the youth with essential banking knowledge and services.
