Report: 'Swachhta Pakhwara' Celebrated by MIER College

Under the Unnat Bharat Campaign, the NSS Unit of MIER College of Education successfully organized a Swachhata Abiyaan on August 14, 2024, at Domana village. The event saw the active participation of 26 NSS volunteers from both the School of Education and the School of Social Science and Humanities.

The students were engaged in various cleanliness activities around the village and also displayed impactful slogans and placards to raise awareness about the importance of cleanliness and hygiene. This initiative aimed to inspire the local community to adopt sustainable practices and maintain cleanliness in their surroundings.

Dr. Adit Gupta, Principal of MIER College of Education, applauded the initiative and commended the volunteers for their dedication to the cause. He emphasized the importance of such initiatives in building a cleaner and healthier nation. The Swachhata Abiyaan at Domana village reflects the college's commitment to promoting cleanliness and contributing to the national mission of a Swachh Bharat.

The event was meticulously organized by Dr. Komal Sharma, Programme Officer of NSS, and Ms. Ayushi Grover, member of the NSS Unit. Their efforts were instrumental in the success of the event.
