**Report**

**Visit to Purkhoo Village for Gram Sabha**

MIER College of Education organized a Gram Sabha meeting under the Unnat Bharat Abhiyan on August 15, 2024, at the adopted village, Purkhoo (Kote), in the Jammu District. The gathering was attended by the Sarpanch and local residents, who came together to discuss the village's development needs. The meeting led by Mrs. Suman Devi, Assistant Professor and UBA Coordinator at MIER College, aimed to identify and address the village's fundamental requirements.

Mrs. Suman Devi engaged in meaningful discussion with the villagers, focusing on key issues such as school infrastructure, employment opportunities, healthcare, sanitation, and education. The meeting served as a platform for understanding the community's challenges and planning for the village's future development. These discussions are vital for the overall progress and well-being of the community.

Dr. Adit Gupta, Principal and Director of MIER College of Education, appreciated the efforts of the coordinator, Mrs. Suman Devi, who worked tirelessly and enthusiastically to organize this event. He urged us to continue to work together for the betterment of the community.
