Election Literacy Drive

On 19th October, 2024 our college in collaboration with University of Mumbai, Department of Life Long Learning and Extension organized an Election Literacy Drive to promote awareness about the electoral process among students and the community. This initiative aimed to enhance understanding of voting rights, the importance of the electoral process, including voter registration, polling procedures, and counting of votes, to promote awareness about the rights and responsibilities of voters, to inspire students to become active participants in the democratic process.

Our respected Principal, Dr. Jitendra Aherkar shared enormous and valuable information about an Election Literacy Program. The program aimed to promote electoral literacy among students and enhance their understanding of the electoral process in India. Objective of the program was to educate students about the importance of voting and civic participation, to enhance students' understanding

Election Literacy Drive

The program included on various informative on topics such as the history of elections in India, the role of the Election Commission, electoral reforms, and the significance of voting in a democracy. As part of the program, students were encouraged to participate in voter awareness campaigns aimed at promoting voter registration and voter turnout among eligible voters in their communities.

The event witnessed active participation from around 100 students. Feedback indicated a high level of interest and engagement, with many attendees expressing a desire for more such programs in the future. Many attendees indicated plan to register to vote and participate in upcoming elections.

The election literacy Drive at our college successfully met its objectives of educating and engaging students and the community about the electoral process. The initiative not only informed participants but also encouraged a sense of civic duty. Our college plans to continue these efforts, fostering a culture of informed voting and active participation in democracy.
