ACTIVITY 1:

Name of Activity:

Training cum workshop on 'Converging with Government Programmes for Community Outreach Activities by HEIs' at NIRD, Hyderabad Date: 17th August and 18th August 2023 Organized by Centre for Rural Infrastructure NIRDPR, Hyderabad and National Coordinating Institute, IIT, Delhi By Prof. S. M. Dhawade, PI Coordinator, Prof Ram Meghe College of Engineering & Management, Badnera

Need of the Activity:

NIRDPR, Hyderabad has proposed to conduct a two-day Refresher Workshop cum Training on 'Converging with Government Programmes for Community out-reach activities by HEIs'. It was felt in a recent review meeting held at IIT Delhi, Sonipat Campus that the UBA RCIs and PIs need to be familiar with various schemes of the government so that rural households, entrepreneurs, youth, women, and Panchayats can be guided in order to avail them. The purpose of the programme is to familiarize the HEIs on the government schemes, funding provisions, how, where, when to apply and whom to contact. This is a two-day residential training programme especially for all the RCIs of the UBA Program.

Description in 200 words(along with the Pictures):

I am registered myself for the said training cum workshop with provided registration form and given link. The training cum workshop was informally inaugurated by Prof Lakhan and coordinator Prof R Ramesh on dated 17/08/2023, 10 am at Mahatma Gandhi block, NIRD, Hyderabad. Firstly, introduced the Programme and training schedule by coordinator R Ramesh.

Acknowledgement:

It gives me immense pleasure to express my gratitude to **Dr. V. K. Vijay, National Coordinator** and **Dr. Vivek, National Co-coordinator, NCI, UBA** who provided the training cum workshop on Converging with Government Programmes for Community Outreach Activities by HEIs' at NIRD, Hyderabad.

I am indebted to **Dr. R. Ramesh, Coordinator**, for arrangement and making training wonderful. Also I am very much thankful to **Dr. Manoj Kumbhare, Co-ordinator, RCI, SGBAU** for giving chance to participate the programme. Without them and their co-operation, participation would have been inevitable and their presence behind me is totally indispensable.

ACTIVITY 2:

Name of Activity:

The participation in webinar on “Role of Participating Institute in Gram Panchayat Development Plan (GPDP) on dated 07/02/2024.

Need of the Activity:

The Gram Panchayat Development Plan (GPDP) plays a pivotal role in empowering rural governance and ensuring comprehensive development through community involvement. The webinar emphasized the importance of Participating Institutes (PIs) under the Unnat Bharat Abhiyan (UBA) in driving sustainable development initiatives in collaboration with local Gram Panchayats. It highlighted how institutes can contribute through research, resource mobilization, and capacity-building efforts tailored to the needs of rural areas.

Description in 200 words(along with the Pictures):

On **February 7, 2024**, Prof. Sarang M. Dhawade, Assistant Professor at Prof. Ram Meghe College of Engineering & Management, Badnera, and PI Coordinator of the **Unnat Bharat Abhiyan Cell**, actively participated in a webinar titled “*Role of Participating Institute in Gram Panchayat Development Plan (GPDP)*.” This webinar was organized by the **Regional Coordinating Institute (RCI)** and **Participating Institute (PI)** under the Unnat Bharat Abhiyan, hosted by Sant Gadge Baba Amravati University, Amravati.

The GPDP serves as a strategic tool enabling rural self-governance by prioritizing local needs and facilitating planned resource allocation. The webinar explored the following aspects:

1. **Role of Academic Institutes:** How UBA’s PIs can collaborate with Gram Panchayats to create actionable plans that address rural challenges.
2. **Community Engagement:** Encouraging institutes to foster community involvement for identifying critical areas like education, health, sanitation, and livelihood.
3. **Capacity Building:** Training Gram Panchayat members in effective governance practices.
4. **Case Studies and Best Practices:** Success stories of development plans supported by PIs.

Participation in such initiatives is integral to strengthening the symbiotic relationship between academic expertise and grassroots governance, leading to impactful developmental outcomes.

Prof. Sarang M. Dhawade’s involvement reflects his commitment to contributing to rural development and advancing the objectives of the Unnat Bharat Abhiyan.

ACTIVITY 3:

Name of Activity:

Participation in Webinar on “Solid Waste Management for Sustainable Development of Smart India”

Need of the Activity:

Solid waste management is a pressing challenge in achieving sustainable development, especially in the context of Smart India initiatives. The webinar highlighted the need for innovative and efficient waste management practices to ensure environmental sustainability and resource optimization. It focused on addressing the growing waste management concerns in urban and rural settings and the role of Participating Institutes (PIs) in advancing these efforts under the Unnat Bharat Abhiyan.

Description in 200 words(along with the Pictures):

On **July 3, 2023**, Prof. Sarang M. Dhawade, Assistant Professor at Prof. Ram Meghe College of Engineering & Management, Badnera, and PI Coordinator of the **Unnat Bharat Abhiyan Cell**, actively participated in a webinar titled “*Solid Waste Management for Sustainable Development of Smart India.*” This event was organized by the **Regional Coordinating Institute (RCI)** under the Unnat Bharat Abhiyan, hosted by Sant Gadge Baba Amravati University, Amravati.

The webinar offered a detailed exploration of the strategies for sustainable waste management, focusing on:

1. **Integrated Waste Management:** Solutions to manage various types of waste—biodegradable, recyclable, and hazardous—effectively and efficiently.
2. **Role of Technology:** The implementation of modern technologies and systems in solid waste management for enhancing efficiency and sustainability.
3. **Community Engagement:** Involving citizens and local governance bodies in waste management initiatives to ensure long-term impact.
4. **Policy and Practices:** Understanding policies related to waste management and how academic institutions can contribute to their effective implementation.

Participation in this webinar reinforced the importance of academic and community partnerships in addressing critical environmental challenges. Prof. Dhawade's engagement underscores his commitment to promoting sustainable development practices in line with the vision of a Smart and Sustainable India.

Report on Visit to Adarsh Gram Madhapuri

Date of Visit: 14/10/2024

Organized By: Prof. Ram Meghe College of Engineering & Management, Badnera

Participants:

- Prof. Sarang M. Dhawade (PI Coordinator, Unnat Bharat Abhiyan Cell)
- Gram Panchayat Members- Rajura (Bhiltek)

Objective of the Visit

The primary objective of visiting Adarsh Gram Madhapuri was to understand and learn from their successful strategies in village development. The aim was to gain insights into innovative solutions for common village challenges and explore models for sustainable growth and governance that can be implemented in our Gram Panchayat.

Key Learnings from Mr. Pradip Thakre, Sarpanch and Akashji Mohite, Upsarpanch of Madhapuri

Solutions to Village Problems:

Mr. Thakre shared practical approaches to addressing common village issues such as water management, waste disposal, and electricity supply.

He emphasized the importance of community participation and collaborative problem-solving.

Earning Solutions for Gram Panchayat:

Highlighted initiatives like leasing village lands for renewable energy projects and community-driven agribusiness models.

Suggested diversifying income sources through government schemes and local partnerships to improve Gram Panchayat revenues.

Details on MGGRHY (Mahatma Gandhi Gramin Rojgar Hami Yojana):

Explained how the scheme is utilized effectively in Madhapuri for infrastructure development and providing employment to local villagers.

Shared processes for ensuring transparency and active participation in implementing the scheme.

Best Practices Observed in Madhapuri

Efficient governance through digital tools and regular Gram Sabha meetings.

Emphasis on education and health with well-structured programs for children and women.

Sustainable farming techniques and promotion of organic farming as a community initiative.

Recommendations for Implementation in Our Village

Conduct awareness programs for villagers on MGGRHY and other government schemes.

Form committees to replicate the sustainable income models observed in Madhapuri.

Enhance community involvement by organizing regular workshops and Gram Sabhas.

Focus on capacity building for Gram Panchayat members to implement innovative strategies effectively.

Conclusion:

The visit to Adarsh Gram Madhapuri provided valuable insights into practical and sustainable approaches for village development. The strategies shared by Mr. Thakre serve as a guiding framework for addressing challenges and fostering progress in our village. It is recommended that a follow-up action plan be developed to adapt these learning effectively.
