<p>Title of the activity</p>	<p>Orientation Programme on Unnath Bharath Abhiyan</p>
<p>Objective</p>	<p>Prof. E. Somasundaram, UBA Regional Coordinator and Director, Agribusiness Development, Tamil Nadu Agriculture University, Coimbatore delivered a talk on the main objectives of the Unnath Bharath Abhiyan.</p> <ul style="list-style-type: none"> • To create an awareness among the staff members and plan for future activities under Unnath Bharath Abhiyan. • To understand the important objectives of UBA, by engaging the faculty members and students of our college in understanding rural realities. • To identify & select existing innovative technologies so as to enable customization of technologies, or devise implementation methods for innovative solutions, as per the local needs. • To leverage the knowledge based on the educational institutions for effective implementation of various government programmes.

Total no. of beneficiaries	133 faculty members from our college attended the programme and got benefited
Outcome of the programme	<p>The lecture delivered by Prof. E. Somasunadram was a real eye opener and motivation for all the faculty members attending the programme. Sir discussed on the 5 main areas of UBA which has to be focused by the institution and its importance for development.</p> <ul style="list-style-type: none"> • Organic Farming activities to be promoted in the adopted villages for agriculture and crop production with natural farming activities. Sir also explained on the recent problems faced by the people on consuming the vegetables and farm products with high pesticides and fertilizers. This is the need of the hour which can create a natural system of farming methods by adopting high quality seeds and implementation of new technology in agriculture. • Water management by using the water resources in a sustainable manner and managing the rainwater and ground water for future purposes. • Artisans, Industries for giving employment opportunities and developing entrepreneurship activities among the self help groups and unemployed youths. • Renewable Energy – Utilising the renewable energy resources effectively by utilising the solar energy and wind energy for the purpose of irrigation, power supply and water generation. • Basic Amenities The basic requirements of the adopted villages need to be met through the colleges like challenges in reaching out different schemes, providing education to the children, good health practices etc. <p>The lecture received very good feedback and appreciation from the audience. More than 130 faculties attended the programme and got benefitted.</p>
Points to follow	<p>Form an Executive Council 5 member committee in the college including faculties and student representatives</p> <p>UBA logo has to be placed in the college along with NSS and NCC</p> <p>Formation of UBA Cell for planing and implementation of activities</p>
